

Important Notes:

This updated External Paint Color Palette was based on Sussex and Canwick Cove. Please note that Sherwin Williams has renumbered their paint colors. Both old numbers (starting with SW) and the new numbers (xxx-Cx) are listed.

If you would like to see examples of the paint schemes on homes in Lely, some of them can be viewed in Canwick Cove. Directions to Canwick Cove: Take a right onto Wildflower Way (by entrance to Flamingo Golf Course). Proceed to the Alden Woods entrance. Gate codes change daily. Drive directly back until you are in Canwick Cove. House numbers are listed on the Color Scheme Sheets that follow.

The brown color on all our fascia boards is Rockweed SW2735 / 252-C7. If you choose to paint your garage door a different color than the house body, it must be Rockweed.

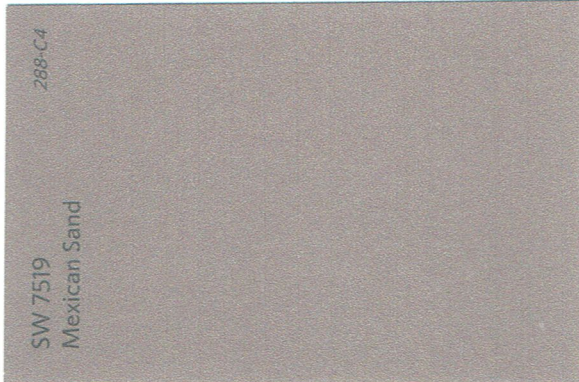

If you have a painter that you would like to recommend, please feel free to add their business card to the back of this book.

Please return this book to Kathy Shoop, 7727 Cottesmore Drive.
