

A rescue kitten and fur buddy for Titus the Pyrenees

Written by Melissa Shelton

Ready for your heart to explode???

I get a text. “Any chance you can help with a kitten that was dumped?” As I call Winston to tell him I’m on my way home. I hear baby kitten cries in the background! Yep. The kitten beat me to my house before I knew it. The sweet girls who found her, were very worried for this little floof. And their barn cats were not having a screaming baby in their territory. No way! So as I’m examining the baby kitten. She has her lower lip scraped right off her chin 😭. A common injury for kittens tossed from a car. 🚗🚗🚗

All the baby wants to do is snuggle.

All Titus wants to do is snuggle.

I only have so much room to snuggle at one time.

So I figured, let’s share cuddle time.

And this is how it went...

I'm gonna pick up the pieces of my heart now. It fully exploded with cuteness and love.
