

The following is a list of the books that Paul recommended in his presentation, "Building Biodiversity with Native Plants";

Author -Lorraine Johnson - the book I recommended, "The New Ontario Naturalized Garden", was published in 2021. I would also recommend having a look at her current book list as she has published many great books.

Author -Heather Holm - *"Pollinators of Native Plants : Attract, Observe and Identify Pollinators and Beneficial Insects with Native Plants"*

<http://www.amazon.com/Pollinators-Native-Plants-Identify-Beneficial/dp/0991356306/conservgarden-20>

Author -Douglas Tallamy - *"Bringing Nature Home"* - Highly recommended. He has also published a follow-up book *"Nature's Best Hope: A New Approach To Conservation That Starts In Your Yard"*.

http://www.amazon.ca/Bringing-Nature-Home-Wildlife-Expanded/dp/0881929921/ref=sr_1_1?ie=UTF8&qid=1430356093&sr=8-1&keywords=Douglas+Tallamy
