Day 4 Monday: Diving and Whale Shark Encounters—Enjoy breakfast at 7:00 AM before being picked up by dive boats (pangas) at 8:00 AM directly from our beach—a convenient start to the day. We will select the best dive sites and embark on two dives, back rolling into the water from the boats. During our surface intervals, you'll have opportunities to explore nearby islands, watch for dolphins or whales, freedive for clams, and learn about the Sea of Cortez. Lunch will be served on a beach or cove after the second dive to prepare for an incredible snorkeling experience with whale sharks. The evening is yours to relax, socialize, stroll the beach, nap, kayak, paddleboard, or fish.

Days 5-8 Tuesday - Friday: Continued Exploration—Each day will mirror the activities of Day 4, but every dive will offer something unique. The underwater world of the Sea of Cortez is diverse and vibrant, ensuring each experience is different and memorable.
