

Lakeland Eagles Youth Football & Cheer

Parent Volunteer Commitment Agreement

Dear Lakeland Eagles Families,

Our organization is proud to provide a positive, structured, and successful environment for our athletes. As a non-profit, volunteer-driven program, the success of Lakeland Eagles Youth Football & Cheer relies heavily on the active participation and support of our families. Every event, game day operation, and program function is made possible through volunteer efforts.

To ensure the continued success and smooth operation of our organization, all families are required to complete volunteer service hours as part of their athlete's registration.

Volunteer Requirement

- Each family must complete a minimum of two (2) volunteer hours per athlete enrolled in our program.
- This requirement is mandatory and is a condition of registration.
- There is no buy-out option available. The participation of all families is essential to maintaining a strong and successful organization for our athletes.

How Volunteer Hours Work

- Most volunteer opportunities will take place during our home games, with additional opportunities available throughout the season as needed.
- Volunteer sign-ups and scheduling will be coordinated through your team's designated Team Mom.
- Families are encouraged to sign up early to ensure completion of required hours.

High School Volunteer Hours

We are happy to accept volunteer hours completed by high school students on behalf of a family.

- High school athletes may volunteer to help fulfill your family's required hours.
- Documentation can be provided and signed to support community service or volunteer hour requirements for school.

Our program thrives because of the collective effort of our families. We cannot run a successful organization for these children without the help of everyone. By signing below, you acknowledge and agree to fulfill the required volunteer hours as part of your athlete's registration.
