FREE HEALTHCARE BENEFITS

FOR YOU & YOUR FAMILY

Better information. Greater control. Help knowing what to do next - all at no cost.

Since 2007, our team has helped create the compliance-grading methodologies used by CMS and major payers to measure providers. Precision / YOUniversal Care now puts that intelligence to work for you.

1 My MD Hub™ - Your Records, Your Control

Free access and control of your health records. Bring records together and securely share them. CMS & CARIN Alliance approved. [Learn more](#)

2 Your Healthcare Escape Hatch

A free Consumer Guide to Access & Care by Doug Sparks. Navigate healthcare and make informed choices. [Learn more](#)

3 Precision Health Risk Assessment

Identify potential risks and needs, with individualized information and options based on your responses.

4 Behavioral Health Assessment

Identify anxiety, depression and behavioral-health concerns, connected to relevant guidance and options.

5 Social Determinants Assessment

Identify transportation, food, housing or financial barriers and connect them to potential options.

6 MDApp - 700+ Medical Tools

Free medical algorithms, scores and calculators for consumers and professionals, organized by specialty. [Learn more](#)

7 Provider Compliance Intelligence

See provider performance against CMS and payer quality and compliance measures.

THE DIFFERENCE

These benefits are connected by Precision Stealth Workflow Intelligence™ - helping turn records, assessments and provider information into what you may need to know or do next.

NO COST TO THE PROGRAM SPONSOR. NO COST TO THE CONSUMER. NOTHING ADDITIONAL TO BUY.

A meaningful healthcare benefit your Program Sponsor can provide to every participating member.
