People of Jesus Christ,

I am officially greeting you from our newsletter publication “**THE PROCLAMATION**”. I hope this can bring you an additional First Lutheran Church faith connection between you this Congregation. I have journeyed with 1st Lutheran from the onset of the 2022 Advent season. We have since traveled through a faith filled schedule of 2 Christmas seasons, an Easter season & a complete season of Pentecost. During this time, I have intentionally studied where God’s Holy Spirit has sent me to be a guiding light of faith in Jesus. I have also worked to familiarizing my life in harmony with the people of 1st Lutheran through our Lord Jesus. The plans of our congregation are not of our own demand, but we have been given an order of life in Jesus Christ. This schedule is a function sent to us through God’s Holy Spirit. Be faithfully patient with God’s way in Jesus, because in our Father’s house we will never have any other alternative. There are projects currently in place here at God’s Home for all people. My prayer is that you will be attentive to our resolve to faithfully bless God’s creation “In With & Under” our Lord Jesus who is at the right hand of our Heavenly Father. So much of the responsibility for this venture revolves around your head of the household (usually parents).

¹Please listen to the call of God's Holy Spirit & bring your family (first & foremost) to the congregation of the faithful during worship. ²We have finished our October "Adult Bible Study" & I am now in process to visit individually with the students. ³1st Lutheran's weekly viewing of "The Chosen" will continue in the new year at 2 different times. The Woman's group may again meet at noon on Thursdays, beginning with a meal. Again at 6 pm on either Wednesdays or Thursdays this venture of "The Chosen" will gather together both men & woman. This will also start with a meal & followed by the video. ⁴Remember, Friday from 9-4 is our new "Blast" church day consisting of 3 activities:

1. "Confirmation" 9-12.
2. "Lunch" 12-1.
3. "Fun-Faith-Friday" 1-4.

⁵Up & coming is a continuation of High School's "Taco Tuesday" but now it is titled "Taco Tuesday on Thursday". Again, it will be during the school's noon lunch hour at the same location as last year but on Thursday. ⁶I am currently developing a faith filled relationship with students from our community college because the afternoon Let Me Shine teachers are from our Jr. College school. As such I can visit with them on an individual bases in an ad hoc agenda. ⁷In conclusion, please note that the director of "St. John's Assisted Living" in Billings Mt, (Tom Schlotterback) will be with us for worship Feb 4.

Luv Ya *Pastor Mike*
