R.I.O

Disclaimer and terms

We Are The Republic of Iroquois Ongwehonweh “R.I.O”. This Republic was created to be a home for our disenfranchised Original Indigenous Peoples aka known as American Indian brothers and sisters (aka American Aborigines aka Amerindians, West Indians, So called Black and African American). The foundation of our Republic, consist of the original peoples of the Americas, but we welcome many other nations as well. Our constitution defines what role foreign nations/people can play in our Republic. We are one people, and we want our Republic to exemplify and reflect that. We are not sovereign citizens and or anti Government. In fact, we are a People’s government Republic. By requesting Republic-ship (be a part of the Republic), with R.I.O, you agree that the intended motivation for uniting with R.I.O, is not based on you getting out of any legal, criminal, and unlawful situations or obligations. And that your intentions are strictly to restore and or establish your Nationality, Ethnicity, Identity, Status and blood-right. By wanting Republic-ship with R.I.O, you acknowledge that you will become part of a Republic of men and women that is a growing Republic. We are coming together to restore our ancestral culture, reclaim our stolen blood-right as the posterity of our ancestors. We the Original peoples aka American Indians have the right to self identify, be part of an indigenous community a Sovereign Republic. And last but not least, to secure a life of Sovereignty and prosperity for us and our posterity. Ongwehonweh means, Original Beings. And so we stand as a Republic to restore the legacy of the Haudenosaunee.
