**AGREEMENT WITH THE COLUMBIA AND COLVILLE, 1883.**

In the conference with chief Moses and Sar-sarp-kin, of the Columbia reservation, and Tonasket and Lot, of the Colville reservation, had this day, the following was substantially what was asked for by the Indians:

Tonasket asked for a saw and grist mill, a boarding school to be established at Bonaparte Creek to accommodate one hundred pupils (100), and a physician to reside with them, and \$100. (one hundred) to himself each year.

Sar-sarp-kin asked to be allowed to remain on the Columbia reservation with his people, where they now live, and to be protected in their rights as settlers, and in addition to the ground they now have under cultivation within the limit of the fifteen mile strip cut off from the northern portion of the Columbia Reservation, to be allowed to select enough more unoccupied land in Severalty to make a total to Sar-sarp-kin of four square miles, being 2,560 acres of land, and each head of a family or male adult one square mile; or to move on to the Colville Reservation, if they so desire, and in case they so remove, and relinquish all their claims to the Columbia Reservation, he is to receive one hundred (100) head of cows for himself and people, and such farming implements as may be necessary.

All of which the Secretary agrees they should have, and that he will ask Congress to make an appropriation to enable him to perform.

The Secretary also agrees to ask Congress to make an appropriation to enable him to purchase for Chief Moses a sufficient number of cows to furnish each one of his band with two cows; also to give Moses one thousand dollars (\$1,000) for the purpose of erecting a dwelling-house for himself; also to construct a saw mill and grist-mill as soon as the same shall be required for use; also that each head of a family or each male adult person shall be furnished with one wagon, one double set of harness, one grain cradle, one plow, one harrow, one scythe, one hoe, and such other agricultural implements as may be necessary.
