

## Call for Artists: Mural Alley “Tonopah Titans”

### Project Overview

We are seeking applications from four (4) qualified Nevada-based muralists/ artists to complete one (1) of four (4) exterior murals for our Tonopah Titans project. Our goal is to honor Tonopah people and cultures who have significantly contributed to Tonopah’s (and the State of Nevada’s) history, heritage, and success. A list of people and/or cultures to be painted and photos of people will be provided for each theme.

The four themes are:

1. Tonopah’s Early Years (1900-1920s)
2. Tonopah’s Cultural Heritage
3. Tonopah’s Women
4. Tonopah’s Famous & Infamous

### Project Details

The four (4) murals are to be painted on the exterior wall of 222 S. Main Street (APN 008-135-02) which currently houses the two businesses named “Hometown Pizza” and “G’s Spot”, facing the United States Post Office.

Each panel will be pressure-washed and primed by our nonprofit volunteers.

Each panel has the following size: 256”/21’ wide, 193”/16’ high (about 340 sf).

Some panels include piping that will have to be incorporated into the design (see below photos for details). The middle panel includes a door.

All mural designs are to incorporate a “picture frame border” to tie the five murals together.

Work will consist of design, as well as production onsite, to include supplies, equipment, travel, and overnight cost. The selected artist or team of artists must use quality paint to ensure the longevity of the mural. Coating to be provided by the nonprofit but applied by the artist.

Mural must be completed no later than October 15, 2026. Weather conditions are to be considered by the artist.

### Compensation

\$5,000 for artist fee & supplies

\$1,000 for artist travel cost, per diem, equipment rental, etc.

## Application Requirements
