<b>GRAMACHO</b>	<b>18</b>	<b>72</b>	<b>6,107 M</b>	<b>1991</b>

After his success in designing the Vale de Pinta course, Ronald Fream teamed up with the former world # 1 Nick Price to create the unique design of Gramacho. With 18 holes and 27 greens, plus numerous different tee points, players can enjoy the same course time and time again but always with slightly different challenges.

Having hosted the Portuguese Ladies Open on a number of occasions, Pestana Gramacho is recognized as a championship course enjoyable and playable even by those with a higher handicap.

Apart from the fantastic golf design, Ronald and Nick managed to incorporate the traditional landscape by utilizing the natural stone outcrops, historical dry-stone walling and existing ancient trees with some artfully sculpted lakes and bunkers. The effect is a wonderful journey through the countryside.

<b>VALE DA PINTA</b>	<b>18</b>	<b>71</b>	<b>6.127 M</b>	<b>1992</b>

The 8 times consecutive host of the European Seniors Tour Qualifying final, Vale de Pinta golf in the Algarve is rightly respected not only for its playability and challenging layout but for outstanding levels of beauty and enjoyment. Designed by the famous American golf course architect Ronald Fream and inaugurated in 1992, Vale de Pinta has earned its place as one of the best designed courses in the Algarve and in Europe.

Imagine the fairways of Bermuda grass, strategically placed sand bunkers and greens clad in Pen Cross Bent grass. Not to mention ornamental lakes in a rolling terrain dotted with carob, fig, almond and olive trees (including one olive tree over 1200 years old!).

Silves is a serene spot at the foot of the Monchique Mountains, but it is anything other than “a walk in the park” - a drive at the opening hole has to flirt with water hazards on both flanks.

This course is for players - low handicaps will find it a serious challenge to come in under par. But high handicaps (with concentration) will be able to enjoy their round.

Most holes offer spectacular mountain views overlooking palm trees and olive groves, the surrounding cork and citrus farms generate a true feeling of authentic Portuguese golf.

## ALTO GOLF – 18 KM FROM YOUR ACCOMMODATION

	HOLES	PAR	DISTANCE	INAUGURATED
ALTO GOLF	18	72	6.102M	1997

Pestana Alto is synonymous with design and play, and in a world of modern, complex course design, more and more people look back at the classics and see how course design should be: about challenge and playability for all handicap levels.

Located on the edge of the picturesque fishing village of Alvor, the rolling fairways and elevated greens test all and reward anyone who enjoys thinking about their game.

**VILA SOL – 42 KM FROM YOUR ACCOMMODATION**

Internationally known, the Vila Sol golf course managed by the Pestana Group, is now part of the Algarve's most sought-after golf courses. The scenario consists of pine, almond and fig trees, plants, flowers, lakes, and streams, which all add to the pleasure and challenge of completing 72 strokes at this championship golf course, making the experience unforgettable from first to last shot.

**Pestana Village Sol Academy Golf Course -9 holes**
