Membership in the Idaho Steelheads Booster club (ISBC) offers special opportunities to active supporters. There are a wide variety of activities and needs, and there is a place for everyone who wants to be involved. A few of the benefits are:

- Airport Welcome Homes – greet the players as they return home from away games.
- Meet and Greet – meet the new team at the beginning of every season.
- Christmas Party – potluck dinner with the members, Steelhead staff, and players.
- Team Outings – for members only.
- Awards Banquet – potluck dinner with the members, Steelhead staff, and players.

The Lending Closet for the players is a major function of the Booster Club. The ISBC funds and furnishes household items for the players so that when they arrive in Boise to join our Idaho Steelheads, they are each welcomed with a “get started” basket that includes immediate basic household needs. The Lending closet reflects the warm, welcoming spirit of our community and enhances Idaho’s reputation as a great place to live, work, and play.

The ISBC also sponsors an annual Youth Hockey Scholarship Award for talented local athletes who wish to pursue hockey but are unable to afford the expense. These funds are dispensed through the Idaho Amateur Ice foundation Scholarship Program.

Before you sign up, please be aware that just as there are benefits, there are also obligations that accompany membership in the ISBC. It is expected that as a member of the ISBC you will share in the responsibilities and be a contributing member. It is understood that everyone has other responsibilities to work, family, church, etc. and the ISBC is flexible enough to accommodate everyone's individual schedule.

As a member you are expected to: 1) Support the mission and purpose of the ISBC as listed in the By-laws; 2) Constructively contribute to and participate in its programs and activities; 3) Attend meetings; 4) Sign-up and participate in committees and functions; and 5) Share ideas, knowledge, and talents with the ISBC in supporting our mission.

Below is a list of some of the events and activities the Booster Club sponsors. We will make sure members are notified when these events will be occurring and will ask for assistance or participation in a committee. The Steelhead organization depends on us for support. We cannot accomplish our purpose without the active support and involvement of every member.

BOOSTER CLUB MISSION STATEMENT

The Idaho Steelhead Booster Club is a non-profit organization designed to help facilitate team members' involvement in the community and to help acclimate the players to our area through charity fundraisers, children's activities, and social events where players and fans can meet.

MEMBER AGREEMENT

As a member of the ISBC, I hereby agree to uphold the requirements of maintaining our mission statement in action and in deed, and accordingly, to maintain reasonable ethical behavior on all fronts and without expectation of preferential treatment from the ISBC or the Steelhead players and staff, whether financial or otherwise. As a member and representative of the ISBC, I shall honor all rules of behavior set forth by the organization and will seek ISBC Board approval before acting as an ISBC representative on any and all occasions. I also agree to uphold the good name and reputation of the ISBC at all times.
