SINGING FOR JOY

## Worship Leader/Speaker

### About Nettie

Nettie Patterson is fondly known as “Miss Nettie.” As a Worship Leader in her local church, she greets you with a joyful “Good Morning Church aren’t you glad to be in the house of the Lord?” She loves to minister through music and to speak at women’s retreats, conferences and events. Nettie relates to women of all ages as she shares Jesus through the lens of her farm life experiences. Her popular social media platform is Java with Jesus. Audiences hear Nettie’s “Jesus Stories” of love and loss which results in their own desire to draw closer to God and find restoration, recommitment, and renewal.

### Nettie’s Message of Hope

A crisis is more than just a crisis. It’s an opportunity to experience and know God to a degree and depth that you have never known before. It’s a time when God wants you to draw closer to Him and know Him at a deeper level. He wants to manifest His glory in ways you may never have seen or experienced.

Nettie and her husband, Pat, experienced the untimely death of their 37-year-old son, Chris. Through the power of prayer, their obedience and deep faith in God, they and others experienced beautiful healing moments led by the Holy Spirit and the ripple effect was enormous. Even through grief, there is always hope and purpose in the pain which is all for God’s Glory.
