SINGING FOR JOY

Worship Leader/Speaker

About Nettie

Sunday Mornings the first thing you will hear from Nettie Patterson aka “Ms. Nettie” is “Good Morning Church, aren’t you glad to be in the House of the Lord?” When Nettie is not ministering through music at her church, she is Speaking at women’s retreats, conferences, functions. Nettie takes every opportunity to brag on God, to share “Jesus Stories” of love, loss, and renewal and to draw others even closer to God’s side, the only place where restoration, recommitment and renewal happen. Nettie has the privilege of sharing “Java with Jesus” a social media platform which she anxiously awaits to “Tell the Stories of Jesus” to anyone through devotionals that the Lord lays on her heart from life experiences on her farm with her husband of 41 years.

Signature Message

A crisis is more than just a crisis. It’s an opportunity to experience and know God to a degree and depth that you have never known before. It’s time when God wants you to draw closer to Him and know Him at a deeper level. He wants to manifest His glory in ways you may never have seen or experienced.

It was in this crisis moment for Nettie and her husband Pat that they experienced the movement of the Holy Spirit through the untimely death of their son Chris.

Nettie shares what God did in their obedient faith through the power of prayer in those 3 days as their son lay in the hospital bed unresponsive and how the Holy Spirit moved in the lives of his friends. A Jesus story of how friends came to salvation, how families were restored, and how doctors and nurses were witnesses to God’s mighty hand at work. As grieving parents how the hurt and pain was turned into joy once there was a complete surrender to God! Giving full trust in Jesus to work in and through this difficult crisis so that God receives all the honor and glory, realizing that there is always hope and purpose in the pain of obedience to Him.
