OUR STORY

Planet Hemp Living founder Cindy Hopper started working for a pizza shop in 1977 at the age of sixteen. At twenty-one, Cindy became co-owner of Franks Old Fashioned Pizzeria and Italian Restaurant in Somerset, PA. They successfully created recipes and manufactured products for retail.

In 1997 Cindy left the restaurant industry to start **Hemp Sisters, Inc.** after inventing the “Original Hemp Jewelry Board.” The online retail store offered the largest selection of hemp and other natural fiber products on the web. Cindy opened several small retail stores in Somerset and designed the “**Hemp Hut**” kiosk for the Galleria Mall in Johnstown, PA. The Hemp Sister’s 10 x 20 *portable* “**Hemp Hut**” store carried all of the latest trendy hemp products and was a regular at a couple Somerfest events and Seven Springs Ski Resort. In 2003, Hemp Sisters received the **HIA FIVE YEARS IN HEMP** award by the Hemp Industries Association .

In 2013 Cindy started developing a line of hemp foods and trademarked menu items. She launched the Hemp Dog[®] Cart in Richmond, VA on June 8, 2014 and made the national news! Hear what people said about the Hemp Dog[®] at the launch ...

WHY HEMP?

Industrial Hemp was the driving force of our economy and grown by the founding fathers. It was removed from the US in 1937 by powerful people who saw the industry as a threat to their plan for the world. President Trump recognized the huge benefits and re-legalized Hemp in 2018. Textiles made with Hemp are far superior to synthetic and even many other natural fibers. Benefits of wearing Hemp fabric:

- Hemp is more comfortable
- Hemp breathes better
- Hemp never molds
- UV rays do not penetrate Hemp
- Hemp is more durable than almost any other kind of fiber and is very easy to grow
- Hemp uses much less water and is processed easier than cotton

Together, we can build the demand for Hemp again in the US creating jobs and opportunities through farming, processing and manufacturing. Join us and become a part of the new American Hemp Industry today!
