

B2 Farm & Ranch LLC

B2 Farm & Ranch, LLC, reserves the right to retain any kid born on our farm before letting our waiting list pick any kids. We reserve the right to refrain from doing business with anyone for any reason. We cannot guarantee the show career, milk production, or mature height/weight of any animal sold on our farm.

Deposit & Payment Information:

- A 50% deposit will be required to hold a specific kid or adult. Once said goat is ready, you will have fourteen (14) days to arrange transportation/shipping.
- If you would like to be added to our waiting list to make reservations for next kids born or for a specific breeding pair, please email us for information and directions for deposit. There is a \$100 deposit to secure your spot on the waiting list. This deposit is applied toward purchase of the kid/adult.
- Boarding charges will apply after the fourteen (14) day limit required for transportation has been reached. This rate is \$2.00 per day.
- Newborn kids should be picked up by the time they are eight weeks of age.
- Depending on the buyer's request, kids can be dehorned. This procedure will be performed by our farm veterinarian. If the buyer chooses not to have the kid dehorned, this needs to be specified.
- We DO NOT have bottle babies. The only exception is when the mother is unable to feed her babies, but as a rule, we allow babies to nurse.
- All animals must be paid in full before leaving B2 Farm and Ranch, LLC. Outstanding balances will result in your animal being held until all debts are paid, including any boarding charges incurred during this time. If more than one (1) month has gone by without any payment or contact from buyer, the kid/adult will be resold with no refund of what has been placed towards that said kid/adult.
- We do accept PayPal or Venmo payments for the deposit only. Please contact us via email before sending payment by this method.
- If buyer is paying balance at pick-up, please note that the 50% balance must be paid in full before the kid/adult leaves B2 Farm and Ranch, LLC. We only accept PayPal, Venmo, or cash for this final transaction.
- DEPOSITS ON SPECIFIC KIDS/ADULTS ARE ONLY REFUNDABLE IF THE KID/ADULT SUFFERS A PERMANENT INJURY OR DEATH BEFORE LEAVING B2 FARM AND RANCH, LLC. In these rare occasions, the buyer can switch the deposit to another kid/adult, if they so choose.
- All sales are final.
- We reserve the right to refuse a sale without explanation and any deposit would be refunded.
