

## Safeguarding Statement

At The Tutoring School, the safety, wellbeing and protection of every child is our highest priority.

We are committed to creating a secure, nurturing and respectful learning environment where children feel valued, listened to and safe at all times.

We recognise our responsibility to safeguard children and actively promote their welfare. This includes:

- Maintaining enhanced DBS clearance for all adults involved in teaching or supervision
- Ensuring our home-based learning environment is safe, risk-assessed and appropriate for children
- Following clear procedures for safeguarding concerns, disclosures and reporting
- Treating every child with dignity, fairness and respect
- Encouraging children to speak openly and to know they will be taken seriously
- Communicating clearly with parents and carers about wellbeing and safety issues
- Promoting healthy social interactions, kindness and positive relationships within the pod
- Ensuring digital/online learning sessions take place with safeguarding measures in place

Safeguarding is a shared responsibility. Parents, learners and staff are expected to work together to maintain a culture of safety, transparency and trust.

If we ever have a concern regarding the safety or wellbeing of a child, we will follow our safeguarding procedures and take appropriate action, including liaising with parents and external agencies where necessary.
