

LICE CHECKS

Let us do the work for you.

Getting your school checked

Head lice can be quite the headache in a classroom. Itching from lice can cause kids to be distracted and interrupt sleeping patterns causing irritability and lack of focus throughout the school day. With the help of Lice Combers AZ, we can help kids stay focused on "being kids".

What to expect

On our first visit out to your school you receive 1 full hour of free head lice checks. After the first hour, head checks are \$3/check. Our technicians will perform dry head checks looking for signs of an infestation. We also provide staff with Lice ID cards and knowledge on how to identify lice.

Other services

In addition to school and childcare facility head lice checks, we provide in home lice removal services. Visit our website for a full list of services.
