

Welcome to Ignite™

by hatch

Congratulations, and thank you for choosing Ignite!

You, [\[NAME\]](#), are the Organization Administrator (aka Champion) for your organization's account. What does this mean? Your schools now have access to Ignite—a powerful new adaptive learning program that helps teachers save time, engage children, assess skills, and provide individualized learning experiences that prepare children for kindergarten.

To launch Ignite, you will first need to sign in [here](#), using this temporary password:

[\[password\]](#)

Psst! You can change this once you log in.

Don't stop there! Before your organization can fully Ignite learning, you will need to **complete a setup process**. For that you will need:

1. **School information** – school name, address, and phone number
2. **School Administrator** information (optional) – School Administrators lead Ignite implementation within their centers.
3. **Teacher information** – first and last name, email address, phone number, and class name(s) for each

Let's Get Started!

You have been sent this email because your school has subscribed to Ignite by Hatch. If you have questions or believe this email was sent to you in error, please contact us by [email](#) or call 800.624.7968, Option 4.
