Wedding Schedule

Music Starts _____

(Should begin approximately 30 minutes prior to actual start of Ceremony, while guests are arriving)

Ceremony Time _____

(You should allow approximately 30 minutes unless full mass is being performed.)

Cocktails & Photos _____

(45 minutes for pictures. If you want to mingle with your guests, you can cut down on photo time by taking most of your pictures prior to the ceremony.)

Introductions _____

(Usually 10 minutes prior to meal being served unless you want to mingle with your guests.)

Meal Begins _____

(Generally 1 hour after the end of the Ceremony)

Toast(s) _____

(Depending on the type of meal, toasts usually happen when the guests have been through the buffet or after salads, if it is a sit down meal. It's always a nice touch to have a parent give a welcome speech or have the officiate give a blessing prior to the meal.)

First Dance _____

(Approximately 60-90 minutes from the beginning of the meal. You will have eaten first so you may want to consider taking time to go around to each table and visiting with your guests. It can also be nicely done as you are introduced into the reception or after your cake cutting)

Cake Cutting _____

(Approximately one hour after first dance or directly following the meal. It can also be nicely done immediately following your special dances, such as father/daughter dance.

Last Dance _____

(Should be 5 - 10 minutes before the end of the evening)

UP LIGHTS - \$20-\$30 each A affordable way to accent your wedding. Quantum uses LED lights or wireless LED lights to match or enhance your color scheme. We strategically place lights along walls, in corners or against pillars to illuminate specific areas.

STOCK PATTERN GOBO LIGHTING-\$100

We have hundreds of stock gobos with traditional phrases such as "Happy Birthday", "Congratulations" or "Merry Christmas". You can also choose a simple shape or design to highlight a wall or the dance floor.

CUSTOMIZED MONOGRAM GOBO LIGHTING -\$250

We display your initials, name, wedding date or even a company logo with light. We can design just about anything you can imagine including the monogram on your invitations. Gobos add a highlight to any room on a wall, dance floor or ceil

PIPE, BASE & DRAPE- Customized Quote

Quantum

party productions

Many venues have areas that are not too attractive or need to be covered up in order to achieve the best overall look. In this case we use décor drapes in order to hide those areas and create a better look. Our basic rate is \$5 per foot, using a polyester drape. The price depends on the material used and the overall amount. For example; a heavier velour drape is \$15 per foot. In order to hang these drapes, we use pipe & base. Each pipe & base section is \$25. The support bars are \$15 each.

MARKET LIGHTS - Customized Quote

String lighting is a great way to add an elegant touch. Our base price is \$3 per foot plus a set up. The rate is determined by how much coverage you need, the amount of time given for setup and hardware required. Many times we use the existing structures to hang these lights. However, we can use pipe and base to hang these lights and create a design from scratch.

PAPER LANTERNS - \$3-8 each

Add some color or elegant decor to your event. They can be attached to market lights or strategically placed to dress up any facility. They come in assorted sizes, shapes and colors!

DANCE FLOOR LIGHTING

Small Lighting Package - \$100

Two rotating lights gives most dance floors full coverage. These lights move to the beat of the music.

Deluxe Lighting Package - \$200

Four LED Pars changing colors to the beat of the music & two rotating lights on the dance floor. This package is perfect for small to medium size parties.

Stage Lighting Package - \$500

Includes three rotating lights on a 10'x10' staging truss, four LED lights to spotlight the dance floor and a strobe light. *Fog Machine is included upon requests.
