Ceremony Time _____

(Generally 1 hour after the end of the Ceremony)

Toast(s) _____
(Depending on the type of meal, toasts usually happen when the guests have been through the buffet or after salads, if it is a sit down meal. It's always a nice touch to have a parent give a welcome speech or the officiate give a blessing prior to the meal.)

First Dance _____
(Approximately 60-90 minutes from the beginning of the meal. You will have eaten first so you may want to consider taking time to go around to each table and visiting with your guests. It can also be nicely done as you are introduced into the reception or after your cake cutting)

Cake Cutting _____
(Approximately one hour after first dance or directly following the meal. It can also be nicely done immediately following your special dances, such as father/daughter dance.

Last Dance _____
(Should be 5 - 10 minutes before the end of the evening)
