

The Brian Bayich Memorial Scholarship

The Brian Bayich Memorial Scholarship, established by his family, honors the life of Thomas Jefferson graduate Brian Bayich (TJHS Class of 1997). While attending TJ, Brian was a trumpet player in the marching band and jazz band. His love of music carried into his adult life.

Brian graduated from IUP with a degree in Culinary Arts. He was employed as an Executive Chef and used his skills as a chef to bring joy and happiness to the lives of all who gathered together. Brian was a wonderful son, brother, nephew, cousin, and friend and is dearly missed by all.

The financial award will be given to a TJ senior who plans to attend either a two-year or four-year college or university and intends to major in hospitality, culinary arts, or music.

The recipient will receive a \$500 award.

Applicants should complete an application and submit an essay, up to 500 words, describing how they intend to bring happiness and joy to others through their work in hospitality, culinary arts or music. The winning entry will be chosen by Brian's family.
