Dec 31, 2021

DESCRIPTION

An ABC Certified Fitter-mastectomy is a health care professional who is specifically educated and trained in the provision of breast prostheses and post-mastectomy items and services. This includes patient assessment, formulation of a treatment plan, implementation of the treatment plan, follow-up and practice management.

The ABC Certified Fitter-mastectomy is bound by the ABC Code of Professional Responsibility which is enforced by a Professional Discipline program.

The time limited certification expires if the certificate holder does not comply with Continuing Education requirements.
