- We accept the 1st to the 14th of every month, seasonally appropriate.
- The maximum amount per drop off we take is 2 paper grocery bags or one garbage bag.
- When you drop off, you have the option for us to either donate or return the items back to you that we are not able to put on the floor.
  - If you would like us to donate the items, feel free to drop off your bag anytime during business hours the 1st thru the 14th of the month.
  - If you would like the items we cannot accept returned back to you, you must come Monday thru Friday 10am-1pm. Our staff will go through your bags on the spot and pass back unwanted items to you. Upon second inspection of return bags, if we missed any defects we will call to inform you that you have items to pick up. You have 48 hours to pick them up or contact us, otherwise they will be donated.
- We accept women’s seasonal clothing sizes 0-12+. This also includes footwear, jewelry, handbags, and other accessories based on season, capacity, and store owner’s decision.
- We also accept infant and children’s clothes 0-12+, footwear and some accessories.
- Please call ahead on larger equipment. For example, cribs, strollers, and beds.
- Items must be freshly laundered, free of animal hair with all buttons, working zippers, with no holes or stains.
- Pricing is determined by store owners and staff based on condition, demand, and what it sells for new.
- Items are priced, tagged, and put out on the floor for a 60 day consignment period. The consignment period starts on the 1st of the following month after you drop your things off. (i.e. you drop off January 1st-14th, items will go out February 1st for 60 days).
- The consigner split on women’s clothing is 50% of the item’s price, and the split for children’s is 40% of the item’s price. This percentage goes directly into your account as store credit, and could be used anywhere in the store. If store credit becomes a balance of \$20 or more, you may request a check. Checks are cut the 1st and the 15th of every month and can either be picked up in the store or sent to your listed mailing address. Please allow 2-4 weeks for mailed checks to arrive.
- If you wish to pick up your items at the end of the consignment period, it your responsibility to do so before the 60 day period is over. We do not call consignors or hold items at the end of 60 days. After the 60 days, items become property of the store or will be donated.
- The store is not responsible for any lost or damaged items. Items will be tracked and handled with care in the store, still consigned items are dropped off at the consignor's risk.

**I have read the above contract and agree to these terms.**
