

Pi Academy Executive Lunch

Investing in the Future of West Michigan Tech Talent

We invite you to an exclusive afternoon of networking, insight, and community impact. This event offers a unique opportunity for vendor partners to engage directly with leaders from West Michigan's largest organizations, including Meijer, Amway, Priority Health, and SpartanNash.

Keynote Speaker

Michael Hicks

Senior VP and
Chief Information
Officer at Jackson

He will be sharing his vision for the future of IT and leadership in the region.
