Dear Tim,

Thank you for the generous donation of \$2,750.00 to the Regional Food Bank of Northeastern New York. We deeply appreciate your support of our Adopt-a-Program.

The COVID-19 disaster has impacted communities in all counties the Food Bank serves. While the health crisis may be lessening, the effects on low-income individuals and families will be felt for a long time. Your generosity has made a real difference in many lives as people strive to recover from this unprecedented health and economic crisis.

The food and other resources we provide in our Adopt-a-Program would not be available without the support we receive from so many caring people. Thank you for your kindness and concern for your fellow New Yorkers.

Regards,

Molly Nicol
