

## PREPAY CREDIT Form - School Pictures!

PREPAY CREDITS work as a credit that can be applied to your School Picture order. For a limited time in 2021-22, PREPAY CREDITS also qualify for a FREE sheet of wallet-size prints with your School Picture order. CREDITS must be purchased on or before the scheduled Picture Day to receive the FREE prints.

The PROMO CODE to apply your credit and qualify for the FREE Wallets will be your student's four-digit birth month and day. These codes are valid for a one-time use on the photo session for which the PREPAY CREDIT was purchased.

PREPAY CREDITS can be purchased online at [www.vickylongphotography.com/stmary](http://www.vickylongphotography.com/stmary). Credits may also be purchased by completing the bottom portion of this form and sending it along with payment on Picture Day. Families with more than one student, should only purchase one Credit.

Photos will be available to view and order at [www.vickylongphotography.com/stmary](http://www.vickylongphotography.com/stmary). Our goal is always within 10 business days of Picture Day! If you have any questions or future photography needs, we'd love to help! Please contact us at [vlbrphotography@gmail.com](mailto:vlbrphotography@gmail.com) or 815.307.0974.
