

PREPAY CREDIT Order Form - Sports Teams!

PREPAY CREDITS are required for athletes to have Pick-A-Pose individual pictures taken on Team Picture Day! They work as a credit that can be applied to your order from your athlete's private online photo gallery. *For a limited time in 2021, the credit also qualifies you for \$3 shipping on all Sports Team & Individual photo orders!!*

PREPAY CREDITS must be purchased on or before the scheduled Picture Day. The PROMO CODE to apply your credit to your photo order will be your athlete's four-digit birth month and day. These codes are valid for a one-time use on the photo session for which the PREPAY CREDIT was purchased.

PREPAY CREDITS can be purchased online at www.vickylongphotography.com/marian. Credits may also be purchased by completing the following form and sending it along with payment on Picture Day. Please purchase a separate PREPAY CREDIT for each athlete that you'll be ordering for.

Photos will be available to view and order at www.vickylongphotography.com. Our goal is always within 12 business days of Picture Day! If you have any questions or future photography needs, we'd love to help! Please contact us at vlbrphotography@gmail.com or 815.307.0974.
