

South Cabarrus Youth Sports Inc. Is a 501c3 non-profit organization committed to providing competitive and recreational athletic programs for players between the ages of 5 and up.

South Cabarrus Youth Sports was founded to allow young athletes to learn the proper foundational fundamentals of each sport. For example: baseball and softball fundamentals of running, throwing, catching, and hitting are taught to help athletes develop motor skills and body control that will carry over to any sport or activity as they grow. Parents are encouraged to participate in practices and games to bridge communication lines with their child as well as gain knowledge to be better coaches.

Please consider supporting our great programs to help kids build a foundation for the future!
