

Final Instructions

I. Please include your Event ID # in all correspondence in the subject line, on all documents, on all hard copy forms such as registrations, and on all electronic formats including YouTube videos.

II. Video

- A. One stationary video to be taken during the Thrill Time dance - Include all zombies in one view, no panning, no close-ups.

III. Registration

- A. Have dancers read and fill out the Responsibility Waiver. This form may be used for adults and minors. Parents and legal guardians must register for minors.
- B. Event Managers may select the option of name tags, bracelets, arm bands, wrist bands, or hand stamps. This is to signify who has signed the waiver and is dancing.
- C. Media and volunteers - Please use the Media And Volunteer Agreement Form.

IV. **Countdown** - Have a designated person watch the countdown clock and announce the countdown beginning with 10 seconds left until Thrill Time. All dancers count out loud and include in the official video.

V. **Thriller music**: Use 5 min 58 second version.

VI. Count Off

- A. 10-20 minutes before Thrill Time - Assemble zombies in the dance area and count how many for the total number of dancers. This is the number you will report, not the number registered. It helps for the dancers to straighten their lines for the counting to go quickly
- B. Make sure everyone has their arm band, stamp, name tag, etc.

VII. After Thrill Time

- A. Upload video to YouTube for the general public (**this is not the link to submit to TTW**). Include in title: Thrill The World Your Area Year Official Video, Event ID #.
Example: Thrill The World Seattle 2022 Official Video, Event ID 15002. If there are 2 groups in the same city or area, the newer group or groups may substitute city or area with venue, dance studio, sponsor, etc, along with the city and state.
- B. Submit your event's data by filling out the Event Data Form found on thrilltheworld.com.
In the field that asks for your video, paste the video link from your Google Account, NOT from youtube.
