

The background is a vibrant green field with rolling hills in shades of blue and green under a bright blue sky with white clouds. A large, brown, weathered wooden sign is suspended by two metal chains from the top. The sign has the word 'Antville' written on it in a bold, brown, blocky font. A small ant character is integrated into the letter 'v'. Various ant-themed sprites are scattered around: a purple ant with red lightning bolts on its head, a small black ant with red eyes, a large ant with a pink shirt and a shovel, a small green ant with a flower on its head, a small ant with a shovel, a pile of brown stones, and a long, winding line of small brown stones.
