STATEMENT OF PROBABLE CAUSE

I, Jonathan Michael Williams, a Special Agent with the Federal Bureau of Investigation (FBI), being duly sworn, depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation assigned to the Phoenix Division. I have been so employed for two years and I am specifically assigned to conduct investigations pursuant to the FBI's Innocent Images National Initiative (IINI), which focuses on crimes where computers and the Internet are used in the sexual exploitation of children. I am responsible for conducting federal and international investigations relating to crimes involving the sexual exploitation of children. I have received basic and on-the-job training in the investigation of cases involving the sexual exploitation of children. The statements contained in this Affidavit are based on my experience and background as a Special Agent and on information provided by other law enforcement agents. One agent from whom I received information about this investigation was Amy Hirina, a Special Agent of the FBI, who has been employed as such since 2005. She is an investigative or law enforcement officer of the United States within the meaning of Section 2510(7) of Title 18 of the United States Code. She has participated in investigations involving several areas, including crimes against children, child exploitation, child pornography, and human trafficking. Agent Hirina is currently assigned to the Oakland County (Michigan) Resident Agency, where she currently investigates matters involving the online exploitation of children. I have learned that Agent Hirina's investigation in this case largely occurred in Michigan, and developed information relating to BARTLEY, whose Gilbert, Arizona residence, person, personal vehicles, and two places of employment (currently assigned police vehicle and locker), including cellular telephones, computers, and electronic storage devices were the subject of search warrants

that were executed on April 4, 2024. I am aware of forensic analysis done at the scenes of the warrants on April 4, 2024, and further analysis performed on one of the phones located in the residence, and am now seeking an arrest warrant.

2. As a federal agent, I am authorized to investigate violations of laws of the United States and to execute arrest warrants issued under the authority of the United States.

3. This affidavit is made in support of an application for a criminal complaint and arrest warrant for ALAA BARTLEY (DOB XX/XX/1982) for violation of 18 U.S.C. § 2252(a)(2), Knowingly Receiving Child Pornography, (Count 1); and 18 U.S.C. § 2252(a)(4)(B), Possession of and/or Access with Intent to View Child Pornography, (Count 2).

INTRODUCTION

4. The facts of this case, as more fully detailed herein, are that between approximately August 31, 2020, and February 17, 2022, one individual now determined to be a male police officer, communicated via WhatsApp with an adult woman, now determined to be Sarah Elizabeth Chadwick, referred to as SARAH in this Affidavit. Further investigative steps identified the adult male as Alaa Bartley (BARTLEY) (DOB XX/XX/1982), a resident of Gilbert, Arizona. SARAH was determined to be living in Michigan, with a DOB of XX/XX/1993. The investigation determined that via the WhatsApp platform, BARTLEY and SARAH engaged in role play to include talking about sexually explicit topics where BARTLEY sometimes played the role of a police officer and SARAH played the role of a minor age girl. During this approximate 17 months of communications between the two, SARAH transmitted child pornography to BARTLEY on several occasions and BARTLEY acknowledged receiving same. SARAH was arrested in November 2023 and has been federally charged with distribution and possession of child pornography in Michigan in Case No. 2:23-cr-20653-SJM-DRG. SARAH's computers and devices have been forensically analyzed. On April 3, 2024, United States Magistrate Judge Alison S. Bachus issued four search warrants for BARTLEY'S person, residence, personal vehicles, and place of employment. On April 4, 2024, Federal Bureau of Investigation (FBI) Agents executed the search warrants. Digital forensic analysis of the

devices seized found numerous videos and images depicting child pornography. I am now seeking to arrest BARTLEY pursuant to a criminal complaint for one (1) count of Receipt of Child Pornography in violation of 18 U.S.C. § 2252(a)(2) and one (1) count of Possession of Child Pornography in violation of 18 U.S.C. § 2252(a)(4)(B).

DETAILS OF INVESTIGATION

5. In the following investigative details, all initials, subject references, and redacted DOB's references refer to persons and dates that are known to law enforcement.

6. On or about February 13, 2024, FBI Phoenix received a lead from FBI Detroit regarding Child Sexual Abuse Material (CSAM), also referred to as child pornography as it is defined by 18 U.S.C. § 2256, shared by a Michigan woman, referred to as SARAH in this Affidavit, to an Arizona resident, identified as Alaa Robert Bartley, referred to as BARTLEY in this Affidavit. The lead referenced that over the course of approximately 17 months, BARTLEY and SARAH exchanged messages, images, videos, calls, and internet links over the messaging platform WhatsApp. The lead also provided an image of a Phoenix Police Department badge, assigned to BARTLEY's partner according to BARTLEY, pictures of BARTLEY, and WhatsApp chat logs. Based on database checks, BARTLEY is currently employed with the Phoenix Police Department and has been since at least 2020.

7. I am familiar that WhatsApp is a free Instant Messaging (IM) system available for desktop and mobile devices that allows its users to send text, voice messages and video messages, make voice and video calls, share images, documents, user location, and other content. Meta Platforms, Inc., the owner of other platforms like Facebook and Instagram, also owns WhatsApp.

8. The Michigan investigation included that on or about November 8, 2023, FBI Agents in Michigan executed a search warrant at SARAH's residence. FBI Agents interviewed SARAH, seized her phone, and arrested her pursuant to a Criminal Complaint issued by a United States Magistrate Judge for violations of 18 U.S.C. § 2252A(a)(2) (receipt and distribution of child pornography) and 18 U.S.C. § 2252A(a)(5)(B)

(possession of and/or access with intent to view child pornography, or attempt to possess or access with intent to view child pornography) in Case No. 2:23-mj-30450.

9. FBI Agents in Michigan conducted a review of SARAH's phone and discovered that she had been communicating with several individuals, and also sent and received CSAM with many of these individuals, over a period of several years. Michigan FBI discovered communications in the application WhatsApp on SARAH's phone associated with the numbers 480-364-1592 and 602-738-3095. These two numbers appeared to belong to the same subject because they were saved under the same contact card on her phone under the name ALEX BATWAY.

10. With respect to the two phone numbers under the name "ALEX BATWAY," the Michigan agents noted that on or about August 31, 2020, SARAH, using 248-513-5599, and "ALEX BATWAY" (later determined to be BARTLEY), using 480-364-1592, began messaging over the application WhatsApp. SARAH frequently role-played as a minor female between the ages of six years old to sixteen years old. BARTLEY frequently role-played as "Daddy" or as a police officer. BARTLEY commonly referred to SARAH as "Princess." Further, on or about November 26, 2021, BARTLEY, using 602-738-3095, contacted SARAH at 248-513-5599 via WhatsApp and told her it was his new phone.

11. On or about February 12, 2024, FBI Detroit served an administrative subpoena to Verizon wireless for the telephone number 480-364-1592. The Verizon Wireless return listed the subscriber as ALAA BARTLEY, PLEA City of Phoenix, at 4287 E. Del Rio St., Gilbert, AZ 85295. Based on my training and experience, WhatsApp uses the phone number associated with the device (versus other applications which differentiate different users with usernames). The Verizon Wireless return information indicated that the phone number was still active and that BARTLEY was still the subscriber. I have determined that BARTLEY is a sworn law enforcement officer, specifically a patrol officer, with the Phoenix Police Department and I am familiar with the fact that PLEA is the acronym for Phoenix Law Enforcement Association. I have determined that BARTLEY was also a Phoenix Police Department officer during the time of the chats with SARAH.

12. On February 12, 2024, FBI Detroit served an administrative subpoena to AT&T for subscriber information associated with the Cricket number 602-738-3095 (*i.e.* the other number for “ALEX BATWAY” in the SARAH phone). AT&T returns listed the subscriber as “Rex Bradley” associated with a real address of XXX W. St. Catherine Ave., Phoenix, AZ 85041. Subpoena Returns revealed that 602-738-3095 was a 90 day prepaid number that was activated on November 24, 2021 and disconnected on February 23, 2022. Law enforcement database checks determined that the name “Rex Bradley” was not associated at all with the address of XXX W. Saint Catherine Ave. I confirmed occupants of XXX W. Saint Catherine Ave. were the owners of the home from before 2020 and do not have any known connection to BARTLEY. It appeared to me that the user provided name and address was false and instead, the belief of law enforcement including me, is that the number 602-738-3095 was associated with BARTLEY based on the context of the chats, profile name saved in SARAH’s phone, and information previously discovered in WhatsApp chats associated with 480-364-1592.

13. On approximately February 20, 2024, FBI Detroit provided FBI Phoenix with a forensic image of SARAH’s phone for analysis.

Forensic Data Retrieved from SARAH’s Phone by Phoenix Agents

14. FBI Phoenix agents reviewed the data obtained from SARAH’s phone involving BARTLEY. The phone contained messaging communications between SARAH and BARTLEY, and SARAH and others) via Telegram,¹ WhatsApp, and Wickr². Based on the limitations associated with the phone extraction technology, the image files revealed are small file sizes and present as blurry and videos are displayed as still images. Agents familiar with child pornography files on the internet identified a number of images that,

based on their experience of viewing this material and enhanced by the context of chats, appear to be CSAM.

15. Phoenix FBI agents sent potential CSAM and Child Sexual Exploitation Material (CSEM) (i.e. a broader term that includes child erotica, and other sexualized material involving children) images and videos from SARAH's phone to the National Center for Missing and Exploited Children (NCMEC).³ NCMEC independently verified CSAM in over thirty of the images, all of which belonged to previously identified CSAM series. Specifically, the submitted files were compared with NCMEC's Child Recognition & Identification System (CRIS). NCMEC reported that of the materials submitted in this case, they noted that there were over thirty files sent by SARAH to BARTLEY that appeared to contain child victims who have been identified by law enforcement, with some of the images fitting within the definition of child pornography pursuant to 18 U.S.C. § 2256.

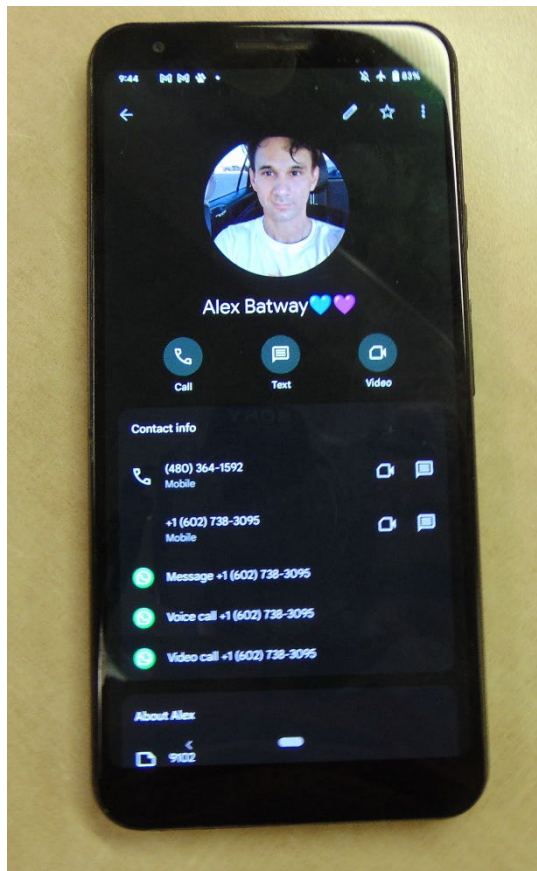

WhatsApp Chats between BARTLEY and SARAH

16. I have reviewed all of the WhatsApp chats between BARTLEY and SARAH during the approximately time of August 31, 2020, and February 17, 2022, which were approximately 7,500 pages long. Below, I have included several examples of substantive communications that covered the 17-month time period to show the ongoing nature of the communications expressing a sexual interest in children. I included an additional summary text below for all image files. The below communications were extracted from SARAH's phone. In the messages below, "(owner)" refers to SARAH and "Alex Batway👍👍" is the

³ Based on my training and experience and what I have learned from other agents with experience investigating child exploitation offenses, the National Center for Missing and Exploited Children® (NCMEC) was established in 1984 as a private, nonprofit 501(c)(3) organization. Currently, NCMEC provides services nationwide for families and professionals in the prevention of abducted, endangered, and sexually exploited children. Pursuant to its mission and its congressional authorization (see 42 U.S.C. § 5773), NCMEC operates the CyberTipline and the Child Victim Identification Program to assist law enforcement in identifying victims of child pornography and child sexual exploitation and works with law enforcement, Internet service providers, electronic payment service providers, and others to reduce the distribution of child sexual exploitation images and videos over the Internet. NCMEC does not investigate and cannot verify the accuracy of information reported to NCMEC. NCMEC forwards reports of child sexual exploitation to law enforcement for purposes of investigation and disposition of potential criminal wrongdoing to be determined solely by the relevant law enforcement agency and prosecutor's office.

contact name SARAH created for BARTLEY associated with the phone numbers 480-364-1592 (i.e. original phone) and 602-738-3095 (90-day prepaid phone BARTLEY told SARAH was his new number on November 26, 2021). The following is a picture of Batway's contact card on SARAH's phone.

[Note: The number 9102 is listed in the "About Alex" section of the contact card. The number 9102 is Bartley's true badge number as later detailed in this Affidavit.]

17. During the course of analyzing the WhatsApp chats, I also observed multiple links sent and received between both BARTLEY and SARAH. I attempted to view these links which contained some indication in the title suggestive of child exploitation material (i.e. <https://raise-them-slutty.tumblr/post/627636342766108672/daddy-the-pervert-getting-used-after-school-by>) but each of those links were no longer available.

18. In one conversation, dated September 14, 2020, BARTLEY told SARAH "Its pretty bad that I'm a pedo cop". SARAH replied "Not to me and madeleine". Within the chats, I

noted that “Madeleine” referred to SARAH’s fictional unborn child. An excerpt from the chat is as follows:

⁴ Tumblr is a social media platform where its users can blog about any topic and can post text, photos, videos, or links. Its users can set up private blogs and can share content to select users. Tumblr is headquartered in New York. In this case, it appeared to the Michigan agents that BARTLEY and SARAH first communicated on Tumblr and may have then moved to WhatsApp. A person’s Tumblr account can be set up and / or accessed by a desktop or laptop computer, or by a cellular telephone.

⁵ I am familiar that the phrase “nuttred on” is a slang expression for ejaculation.

26. In a conversation on January 6, 2021, SARAH sent the same video as was described above in Paragraphs 24 and 26. In my opinion, BARTLEY's comments each time supported that BARTLEY knowingly received and knowingly possessed and accessed with intent to view this video. An excerpt of chat is as follows:

27. In a conversation on May 2, 2021, SARAH indicated she wrote BARTLEY's badge number on her arm. BARTLEY confirmed it was his badge number—i.e. 9102. FBI Agents confirmed that BARTLEY'S true Phoenix Police Department badge number was 9102. (In Attachment A of the person warrant, the picture included is the badge that BARTLEY sent a picture of that belonged to his partner at the time, with the context of that picture on September 26, 2020, being that he had forgotten his badge and was returning somewhere to retrieve. SARAH wanted to see what his badge looked like.). An excerpt from the chat on May 2, 2021, confirming 9102 is as follows:

39. On several occasions, BARTLEY discussed working for the Phoenix Police Department. BARTLEY sent images of BARTLEY'S likeness in uniform and SARAH knew his true badge number. BARTLEY discussed taking overtime shifts at a hospital.

40. SARAH maintained a photo album on her phone titled "ARB" which contained approximately one hundred and nine images. Many of the images were of BARTLEY'S likeness.

41. On December 31, 2021, BARTLEY told SARAH "I think I tested positive for covid. Imma go to a place to confirm". Phoenix Police Database checks revealed BARTLEY worked on December 30, 2021 and did not work again until January 11, 2022, *i.e.* a 12 day time period.

SEARCH WARRANT EXECUTION FACTS

42. On April 4, 2024, FBI Phoenix executed four search warrants for BARTLEY'S person, residence, personal vehicles, and place of employment. I interviewed BARTLEY following the search of his person.

43. FBI agents on the residence search team located a Samsung Galaxy S8 cellphone with black case in BARTLEY'S bedroom in the bottom drawer of a nightstand in what was later determined to be BARTLEY'S side of the room. During an interview with the BARTLEY'S wife, she stated this phone was the device BARTLEY used to view pornography. The wife knew the PIN to the phone but never accessed the device. According to the BARTLEY'S wife, BARTLEY had an affair in 2018 and agreed to share his phone PIN with her for transparency. The same PIN that unlocked the Samsung Galaxy S8 also unlocked the subject primary phone, a Samsung Galaxy S21, associated with the

telephone number 480-364-1592, which was found on his person. BARTLEY'S wife had no knowledge of BARTLEY ever viewing child pornography.

43. On April 4, 2024, FBI forensic examiners attempted an extraction of BARTLEY'S primary phone, the Samsung Galaxy S21, associated with the telephone number 480-364-1592. FBI forensic examiners identified an application the phone called Secure Folder. I know that the Secure Folder allows an Android user the ability to password protect files, applications, images, videos, or other data in addition to the phone's unlock password. The Secure Folder on BARTLEY'S phone was pattern locked and contained approximately 22 gigabytes of data. Further forensic analysis of the Secure Folder is ongoing.

44. On April 5, 2024, FBI forensic examiners extracted the Samsung Galaxy S8, which was identified as the one BARTLEY used to view pornography. Contained within the phone was an application called Secure Folder. I know that the Secure Folder allows an Android user the ability to password protect applications, images, videos, or other media in addition to the phone's password. The Secure Folder contained over 17 gigabytes worth of data storage. FBI forensic examiners accessed the Secure Folder and discovered over 49,000 images and over 700 videos, many of which I identified as CSAM.

45. Numerous applications were located in the Secure Folder, to include Tumblr, Telegram, Wickrme, Snapchat, Discord, Instagram, WhatsApp, Viber, Whisper, and Kik. Some communications were observed and BARTLEY utilized the name "ALEX". The Telegram chats were dated between December 10, 2021 and March 9, 2024. The Tumblr chats were dated between on or about January 26, 2021 and March 20, 2024. Some of the chats are similar to the chats with SARAH, in that it appeared they were sexually explicit and spoke of BARTLEY's sexual interest in children.

46. The following describes five files that were located in the Secure Folder on the Samsung Galaxy S8:

CONCLUSION

47. Based on the communications between BARTLEY and SARAH in the WhatsApp chats, and the videos and images located in the Secure Folder of the Samsung Galaxy S8 phone, I believe that probable cause exists that ALAA BARTLEY (DOB XX/XX/1982) violated 18 U.S.C. §§ 2252(a)(2) (Knowingly Receiving Child Pornography) and 2252(a)(4)(B) (Knowingly Possessing or Accessing with Intent to View Child Pornography).
