HERO 40 Golf Marathon ®

What do we do now?

40 Hole Sponsors: Each Golf Fundraiser will reach out to 40 donors (friends, family, work and church associates) with the goal of \$1/ Hole or \$40/ Donor Goal of at least \$1600 per team member. Some may give .50/ Hole or \$20, some may give a \$100. Keep fundraising till each team member reaches their Goal of at least \$1600 per team member. The Key is to Collect on the Spot, so you don't have to revisit the donors. That equates to $\$1600 \times 4 = \$6400/\text{Team}$. $\$1,600 \times 4 \text{ golfers} = \$6400 - \$100/\text{Golfer Expenses} = -\$400 - \$400/4 \text{ Golfers} = \$6000 \text{ Profits to MFF}$.

10 Corporate Hole Sponsors: Goal is for each Golf Fundraiser is to Secure 10 Hole Sponsors at @ \$250/Team Member = \$2500. 4 Golfers x 10 Sponsors will cover the 40-Holes. You may secure Corporate and Individual Sponsorships.

Golf: At this point your goal is to have fun. Each Golfer can use up to \$100/Golfer for Course Fees, Food, Beverage, Balls etc. If you go over that's great- you've worked hard to this point, you deserve a fun day on us. Enjoy Lunch or Dinner, beverages on the course and be sure to stock up on balls you will need them with '**Speed Golf**'- you hit best ball and leave the other one. In addition to Hole Sponsors, each Golf Fundraiser finds 10 Traditional Corporate or Individual Hole Sponsors hole for \$100/Hole. The Team captain is responsible to send a money order to MFF for the balance with receipts.

What is the MFF HERO 40 Golf Marathon?

It is an incredibly fun event, which will raise some serious bucks for MFF. It is a way for golfers, both duffer and low handicapper alike, to rally their support while doing something they really enjoy – playing golf. When compared to a traditional golf tournament, golf marathons are more fun and a whole lot more profitable.

How does the MFF HERO 40 Golf Marathon Work?

It is a very simple format. As busy as most of our lives are it is as simple of a format as possible. We've dropped many of the huge logistics format issues like trying to rent a Golf Course for the entire day, sponsors and feed an army of Fundraisers and support staff. In other words, you pick the most convenience weekend to Golf with 3 other buddies, friends, family or associates. Your Foursome will consist of a *Player Captain* to keep your **MFF Classic 40 Golf Marathon Team** on Task. Come up with a Team Name so we can track your annual earnings. Most of our Teams Welcome this as an annual event. We have some Teams who do it several times per year because the format is strait forward.

The MFF HERO Annual 40 Golf Marathon Vision: By the Numbers

Player Captain: Your Foursome will consist of a *Player Captain* to keep your **MFF Annual Classic 40 Golf Marathon on task**. *Player Captain* has three basic functions. Come up with a Team Name so we can track your annual earnings. Most of our Teams Welcome this as an annual event. We have some Teams who do it several times per year because the format is strait forward. Trust the Process and Follow the Format because it works! Beyond that these are only basic guidelines. Remember to be organized; save contacts, keep all receipts ect. Remember the Purpose of this is to Raise Funds for the Furthering of Gods Kingdom. But, this is your fundraiser so have fun, be flexible, be creative with it, make it competitive, a game because it is. The More competitive it is the more fun it will be. We suggest you give the Highest Fundraiser a \$100 Gift Card and the winning team/player a \$100 Gift Card.

Establish Your Team- Find a minimum of three other Team Members to at least make it a Foursome. To make it more fun and more competitive, we recommend Two Teams. The Winners each get \$100 Gift Card (Keep Receipts and turn it in with the Final Report) you get more than a foursome then break it down into more teams. Make it an Annual Event. When you're setting teams, course, sponsors think annual, so everything is easier next year. Stay organized with contacts list for the ease of the following years. Much of the leg work will be done.

Cast the Vision-Sell them on the Cause- Feeding, Caring for Orphans, Building Orphanages and Training Indigenous Pastors all over the world.

Speed Golf: We base it on 36-Holes, but you will play 2 balls on 18-Holes. This is '*Speed Golf*' which means you play Best Ball on 18-Holes. You hit 2 Balls- Play the best ball on each shot, Leave the other ball. If you dub or shank 2, drop at your partners best shot. Its speed Golf. And Speed Putt- Anything within 10' of the Pin is a 'Gimmi!' Never putt out, pick up and go to the next hole. Remember it's a Golf Fundraiser, not a Golf Tournament. You will lose many balls so stock up. You may expense them from donor proceeds, just return the receipts for tax purpose.

What is a HERO?

Well this is simple. You are! Anyone who dedicates the better part of a day and many hours to fundraising for disadvantaged youth and orphans is a HERO in every way. You are certainly a HERO of Mine and to our MFF Team®. And for that we love you and thank you. You have no idea how much of a difference you will make in the lives of these kids. Many of these kids go through such atrocities that it will bring tears to your eyes. Please do not underestimate the power of this function which allows us to serve these kids. Together we make a huge difference.

Our Strategy: Our Everyday HERO Behaviors & Partnership Strategy

Help: Never underestimate the power of what we do and the difference we make in the lives of children.

Exceed: Expectations. We are an extension of our partners who we empower to make a difference.

Respond: Love, fight for, support and be a voice for vulnerable children and their caregivers.

Own: take ownership of our ideals because the children and the stats—they are very real.

We are passionate about fulfilling these vital Kingdom Initiatives, but they are far bigger than us. We need partners like you who contribute time, talents and treasure. We have so much to do and so little time.

About MFF

Thanks for the opportunity to share some God-given Kingdom Initiatives which sustain Orphans and Indigenous Pastors. Our Primary and Secondary Initiatives are Designed to Build, Feed, Train, Sustain; Build Lisa's Hope Orphanage, Feed 200 Orphans, Train 25,000 Indigenous Pastors and Train 25,000 Disadvantaged Youth. We are called to Disaster Recovery Relief Efforts in Puerto Rico, Kenya, Uganda, Burundi, Ghana, Nigeria and Nepal.

During our recent visit to Nairobi, Kenya God confirmed our vision and amplified it!! We now feel a higher responsibility and vow to continue working hard to comply with the three principal initiatives of our mission:

1) To continue training 25,000 Indigenous Pastors from Kenya, Uganda, Tanzania, Congo, Burundi, Ghana, Nigeria and Nepal, Pakistan and India where we've already been invited. Any Ministers wanting to join MFF Pastoral Leadership Development they should raise \$2,500 per missionary.

2) Help feed 200+ orphans - To this day they only have one meal a day. It costs \$1.00 a day to feed an Orphan (365 x 200 = \$73,000.00 a year). Two Orphanages in Nairobi, Kenya we support have been cut off due to hoarding from political unrest. The 200 Orphans were only receiving one meal a day as it was and are now in complete hunger. We are believing for \$10,000 emergency funds to send immediately. Each Orphanage needs about \$5,000/month to sustain feeding the children. It's like our own kids- when they hurt, we hurt.

3) To build a Self-Sustained Orphanage in Kenya that houses, feeds and educates. It will also serve as a Church on Sunday and an Indigenous Pastoral Training Center on occasion. It turns out that a Pastor Friend of MFF donated the Land for our Lisa's Hope Orphanage. God bless him for that precious act of love. We now need to act on our part raising funds of \$570,000. If your church wants to send Mission Build Teams, they should raise \$2,500 per missionary.

MFF and all associates submits its standards to ECFA. All proceeds from Be A HERO Fundraising will go to expenditures and initiatives improving the quality of life of Indigenous Pastors and Orphans.

What We Do

Exists: As a Vulnerable and At-Risk Youth and World Outreach Advocacy Organization the Moore Family Foundation (NAICS: 624190 Individual and Family Services) exist to develop character based leaders as we undergird, strengthen and train pastors, families and at-risk youth. Due to the certainty of the times and the disbanding levels of fatherlessness, divorce, the abuse of women and children there has never been a greater time to support these Initiatives.

Supports: MFF supports several God given Kingdom Initiatives which sustain Orphans and Indigenous Pastors. As forerunners, we bear and undergird these structures equipping them with every necessary resource along the way. **Sustains:** MFF Sustains several Biblical Mandates paying particular attention to James 1:27 "take care of the orphans and the widows in their tribulation."

Our ministry is exploding!

There has never been a greater need for this genuine life-changing work to restore families in vast crisis. We have expanded our programs and services and expect to more than double our growth each year for the next 5 years. To sustain a rate of growth like this we need to generate the revenue from a variety of sources including individual sponsors, donors, foundations, advertising and fundraisers to develop our operations.

Our hearts, energies, faith, hope and love need to match what God has called us to do! It is time to 'GO'!
