

OFFICIAL 2026 TOURNAMENT RULES

1. Rules Acceptance: Rules, including published rules in print or on www.scbluemarlininvitational.com, are subject to change. It is the sole responsibility of the participating anglers, captains, crews, and guests ("Participants") to know and abide by the Tournament Rules as published. By entering the **South Carolina Blue Marlin Invitational (SCBMI)** and paying entry fees, Participants agree to abide by the Tournament Rules and accept decisions made by the Tournament Directors as final. The SCBMI has the right to refuse entry of an individual or team. The SCBMI has the right to disqualify, without refund, an individual or team from the competition if the Tournament Committee or Tournament Directors discover any misconduct towards other teams or weigh station personnel, violations of tournament rules, or cheating.

2. Nature of Tournament - The **SCBMI** is a fishing team competition. Participants enter at their own risk and understand the possibility exists that there may be no winners if no qualifying fish are caught. In the event no qualifying fish are caught in a given Tournament category, the Tournament category entry will be returned to the boats minus the 12% Administrative Fee.

3. In Good Faith: In any unforeseen man-made events, or Acts of God, major regulatory changes, fishery closures etc. that could affect the schedule or categories of the tournament, the Tournament Directors will act in good faith and take all efforts to make fair and equal decisions that could affect the tournament's Participants and sponsors.

4. Registration & Cancellations: All entry fees must be paid in full, and funds cleared prior to May 1, 2026 to be entered in the **SCBMI**. The time and date of the email will be used to confirm that the SCBMI was notified by 7:30am EST.

8. Fishing Times: Fishing hours are from 8:00am EST until 3:00pm EST. Any boat still fighting a fish after the 3:00pm EST deadline will be permitted to fight that fish until boated, released or lost.

9. Boundaries – On declared fishing days, boats must leave from a port in South Carolina and return to a port in South Carolina. There is a fishing distance limit of 125 nautical miles from the Charleston Harbor Sea Buoy (N32 42.860/ W79 47.550). Boats must fish within this limit regardless of the Inlet of departure.

10. Anglers and Teams: An unlimited number of anglers are allowed per boat. Boats are limited to only one entry.

11. Angling Rules - The **SCBMI** organizers expect the highest level of integrity and sportsmanship from their Participants and for them to compete within the IGFA Saltwater Equipment and Angling rules. Any member of the team may set the hook and fight the fish (or) may set the hook and pass the rod to another angler as soon as possible after setting the hook, but **the rod may only be passed one time on the onset of striking the fish. The angler must then fight the fish unassisted.**

NOTE: For a boated Blue Marlin to qualify for a South Carolina State Record, the rod cannot be passed at any point. Only one angler can touch the rod and angle the fish.

12. Substitutions: In the event a team needs to make a substitution for a boat other than the one originally listed on registration, that team must submit a formal request to be considered for approval by the **SCBMI**. All substitution requests must be submitted in writing to scbluemarlininvitational@gmail.com.

13. Permits, Licenses & Judging – All vessels and participants shall comply with South Carolina and Federal fisheries laws and regulations. Participants shall also adhere to all **SCBMI** Tournament rules as contained herein. For information regarding Federal HMS Permits, call 877.376.4877 or refer to www.hmspermits.noaa.gov

14. Sonar Usage: Vessels equipped with Sonar and side scanning technology cannot deploy their devices until lines in on their given fish day.

15. Boating Blue Marlin: To be eligible for prize money, a boated blue marlin must measure a minimum length of 105 inches from the tip of lower jaw to the fork of the tail (LJFL). Blue Marlin are considered boated when the fish is in the cockpit (in the event that the fish is too large to get in the boat, the fish is considered boated when secured along the vessel). The **SCBMI** reserves the right to inspect a weighed Blue Marlin to ensure no hidden foreign objects or matter were added for weight. Fish that are not caught according to tournament rules are disqualified.

Teams are permitted to boat one Blue Marlin per day per boat. Teams are encouraged, but not required to submit videos of the fish being wired or boated.

In the event there is a tied official weight, the Boat that boated their Blue Marlin first, according to time & declared fishing day, wins.

All Blue Marlin must be weighed on a certified scale. The **SCBMI's** two official weigh stations are Toler's Cove Marina (843) 881-0325 and Georgetown Landing Marina (843) 546-1776. Please notify the **SCBMI** and the weigh station when in route to weigh a fish. Qualifying Blue Marlin are permitted to be weighed at locations outside of the two official weigh stations as long as a member of the **SCBMI's** Tournament Committee is present and all other **SCBMI** rules as outlined are followed. Weigh Masters' decisions are final. The Weigh Master has the right to refuse any fish in his sole discretion.

Please make every effort to respect the Marina weigh stations' property, rules, policies, employees, and patrons while visiting and weighing in your **SCBMI** fish. The tournament is dependent on participating Marinas and use of their weigh docks.

If returning to the scales after a Marina has closed, it is the boat's responsibility to keep the fish iced & presentable for weighing the following morning.

16. Blue Marlin Releases- A Blue Marlin Release is awarded when the mate touches the leader or the leader touches the rod tip, before the fish is released. A Blue Marlin release will not qualify if the gaff breaks the outside vertical plane of the covering boards or boat. Fish must remain in the water per Federal Law. Release Affidavits will be provided by the **SCBMI** in each boat's tournament packet. Affidavits must be completed following each fishing day in which a blue marlin was released. Teams must take a photo of their affidavit and submit it through the South Carolina Blue Marlin Invitational Mobile App or email it to scbluemarlininvitational@gmail.com by 3:00pm EST the next day. Tournament Directors will later request paper copies of Affidavits from boats in contention for prizes.

17. Mutilation: IGFA rules apply regarding mutilated fish. Mutilation to the fish, prior to boating or releasing the catch, caused by sharks, other fish, mammals, or propellers that remove or penetrate the flesh will disqualify the Blue Marlin. However, injuries caused by leader or line, scratches, old healed scars or regeneration deformities are not considered to be disqualifying injuries.
