Own your own private estate on almost 20 wooded acres. This quad level home has loads of character throughout. Retro kitchen with appliances may be quaint enough to keep. Bring the toys! 30'x62' heated garage/workshop has a lean-to on two sides to store them in, and plenty of room to ride. Newer roof, flooring, carpet, furnace, ac, and water heater. Very spacious rooms including a private master suite with 'his and her' closets and a half bath. Minimal updating will bring the charm back to this grand home.

FUN & GAMES

ARIES (March 21 to April 19) Someone has some suggestions to offer regarding your new project. You might find them helpful. Remember to avoid speculation and to stick with just the facts, dear Lamb.
TAURUS (April 20 to May 20) An old friend suddenly

reappears. Whether this proves to be a boon or a bane in the Bovine's life depends on the reason for this surprising reappearance. Be cautious.
GEMINI (May 21 to June 20) Vital information finally emerges, allowing you to make that important personal

decision. You can now move your focus to an upcoming professional development.
CANCER (June 21 to July 22) You might not like seeing so many on-the-job changes. But some of them could open new opportunities for your Moon Child talents to shine to your best advantage.

LEO (July 23 to August 22) Expect a challenge to the usual way you do things. Although you might prefer the tried-and-true, once you take a good look at this new idea, you might feel more receptive to it.
VIRGO (August 23 to September 22) A close friend could offer advice on how to handle a difficult family matter. But in the end, the decision has to be made based on what is best for you and those you love.
LIBRA (September 23 to October 22) Family problems are best worked out

when all those concerned contribute suggestions that will ease tensions. Stay with it until a workable solution is found.
SCORPIO (October 23 to November 21) Expect to hear more about an offer that has piqued your interest. You earn respect for insisting on solid facts, not just a fancy talk about potential opportunities.
SAGITTARIUS (November 22 to December 21) What seemed to be a reasonable workplace request might need to be defended. Don't fret. You have both the facts

and a surprise ally on your side.
CAPRICORN (December 22 to January 19) A bit of capriciousness might be just what you need. Plan to kick up your heels in a round of fun and games with family and friends this weekend.
AQUARIUS (January 20 to February 18) Although some of your plans might have to be put on hold, things do begin to take a turn for the better by midweek. Your financial crunch also eases.
PISCES (February 19 to March 20) Your financial picture begins to brighten by week's end. There are also favorable changes in your personal life. Someone you care for has good news to report.

BORN THIS WEEK: You seek balance, but not at the expense of justice. You would make a fine judge.
