FUN & GAMES

ARIES (March 21 to April 19) Your work on a recent job assignment is impressive and sure to be noticed. Meanwhile, expect to receive news about an upcoming holiday event you won't want to miss.
TAURUS (April 20 to May 20) Saving the world one

person at a time is what you were born to do. So accept it when people ask you for help, especially during the holiday season.
GEMINI (May 21 to June 20) Now that you've resolved all doubts about an important decision, you can surprise a lot of people by

defending your stand with strong and well-reasoned arguments.
CANCER (June 21 to July 22) The holiday mood stirs your need to nurture everyone, from the family cat to great-grandma. But don't overdo it, especially with teens, who like to feel grown

up.
LEO (July 23 to August 22) Enjoy basking in the warm love of family and close friends this holiday season. But don't fall into a prolonged catnap yet. There's still much to do before you can fully put up your paws and relax.
VIRGO (August 23 to September 22) Avoid pushing others to work as hard as you do on a common project. Instead, encourage them to do their best, and they might well reward you with a pleasant surprise.

LIBRA (September 23 to October 22) Like the sensible Libra you are, you no doubt already started your holiday shopping. But be careful to keep within your budget. Shop around for the best buys.
SCORPIO (October 23 to November 21) Love and friendship remain strong in your aspect over the next several days. This is a good time to develop new relationships and strengthen old ones.
SAGITTARIUS (November 22 to December 21) A beloved family member has news that will brighten your holidays. Also expect to hear from friends who had long since moved out of your life.

CAPRICORN (December 22 to January 19) Family and friends are in for a surprise when you accept the need to make a change without being talked into it. (Bet it surprised you, too, didn't it?)
AQUARIUS (January 20 to February 18) Restoring an old friendship might not be as easy as you had hoped. You might want to explore the reasons for your former buddy's reluctance to cooperate.

PISCES (February 19 to March 20) Your party-going activities pick up as the holiday season takes off. Enjoy your plunge into the social swim as you make new friends and renew old friendships.

BORN THIS WEEK: You are caring and considerate -- two wonderful attributes that endear you to people of all ages.
