FUN & GAMES

ARIES (March 21 to April 19) Stop being the wool-gathering Lamb and start turning that dream project into a reality. You have the ideas, drive and charisma

to persuade others to follow your lead, so do it. **TAURUS (April 20 to May 20)** You've scored some big successes. But remember that all hard-

working Ferdinands and Ferdinandas need some time to restore their energies and refresh their spirits. **GEMINI (May 21 to June**

20) You're gaining a stronger mental image of what you're trying to achieve. Now look for the facts that will help get this to develop from a concept into a solid proposal. **CANCER (June 21 to July 22)** Some of you eager-to-please Moon Children might want to delay some decisions until midweek, when you can again think more with your head than your heart. **LEO (July 23 to August 22)** A new business venture seems to offer every-

thing you've been looking for. But be careful that this rosy picture doesn't betray traces of red ink under the surface. **VIRGO (August 23 to September 22)** A volatile situation needs the kind of thoughtful and considerate care you can provide right now. There'll be plenty of time later to analyze what might have gone wrong. **LIBRA (September 23 to October 22)** Your loyalty to a friend in a tough situation earns you respect

from the people you care about. Those who criticize you don't understand what friendship is all about.

SCORPIO (October 23 to November 21) Your strong work ethic is rewarded with the kind of challenging opportunity you love to tackle. Now go ahead and celebrate with family and/or close friends. **SAGITTARIUS (November 22 to December 21)** A legal matter you thought had finally been resolved could require a second look. But don't make any moves yet without consulting your lawyer.

CAPRICORN (December 22 to January 19) Taking charge is what you like to do, and since you do it so well, expect to be asked to lead a special group. This could open up an exciting new vista for you. **AQUARIUS (January 20 to February 18)** An important matter might wind up being entrusted to you for handling. The responsibility is heavy, but you'll have support from people who are able and eager to help.

PISCES (February 19 to March 20) Avoid getting lost in your thoughts early on in the week. Stay grounded until the week's end, when the aspects will give you a stroke of luck that can spur powerful action.

BORN THIS WEEK: You always try to do the right thing -- and for the right reasons. No wonder people have come to depend on you.
