IN MEMORY OF OUR BROTHER THOMAS RAY FINLEY
JULY 22, 1945 - FEBRUARY 5, 2023

We thought of you today but that is nothing new. We thought about you yesterday and every day before that, too. We think of you in silence, and we often speak your name. Now all we have are the memories of the amazing man you became, kind, honest, generous, hard working, trusting loyal to all who knew you. Your memory is your gift to us, for which we are forever grateful. Jehovah has you in his keeping, we have you in our hearts.

In loving thought today - Gary, Janice, Terry, Tammy, Greg, Todd and Nieces & Nephews

FUN & GAMES

ARIES (March 21 to April 19) Taking some time out of your usually busy social life could be just what you need. You can focus on putting some finishing touches on those plans for

a possible career change. **TAURUS (April 20 to May 20)** A misunderstanding about a colleague's suggestions could create a delay in moving on with your proposal. But by

week's end, all the confusing points should finally be cleared up. **GEMINI (May 21 to June 20)** You might feel overwhelmed by all the tasks you suddenly have to

take care of. But just say the magic word -- "help!" -- and you'll soon find others rushing to offer much-needed assistance.

CANCER (June 21 to July 22) Finishing a current project ahead of schedule leaves you free to deal with other upcoming situations, including a possible workplace change or a demanding personal matter.

LEO (July 23 to August 22) Turn that fine-tuned feline sensitivity radar up to high to help yourself uncover any facts that could influence a decision

you might be preparing to make. Devote the weekend to family activities.

VIRGO (August 23 to September 22) A state of confusion early in the week is soon cleared up with explanations from the responsible parties. Don't waste time chastising anyone. Instead, move forward with your plans.

LIBRA (September 23 to October 22) You might feel obligated to help work out a dispute between family members. But this is one of those times when you should just step aside

and let them work out their problems on their own.

SCORPIO (October 23 to November 21) Your ability to resolve an on-the-job problem without leaving too many ruffled feathers earns you kudos from co-workers. You also impress major decision-makers at your workplace.

SAGITTARIUS (November 22 to December 21) Newly made and long-held friendships merge well, with one possible exception. Take time to listen to the dissenter's explanations. You could learn something important.

CAPRICORN (December 22 to January 19) Be prepared to be flexible about your current travel plans. Although you don't have to take suggestions, at least consider them from experts in the travel business.

AQUARIUS (January 20 to February 18) A problem with a recent financial transaction could lead to more problems later on unless you resolve it immediately. Get all the proof you need to support your position.

PISCES (February 19 to March 20) Daydreaming makes it difficult to stay focused on what you need to do. But reality sets in by midweek, and you manage to get everything done in time for a relaxing weekend.

BORN THIS WEEK: Your ability to reach out to those in need of spiritual comfort makes you a much-revered and much-loved person within your community.
