# FUN & GAMES

**ARIES (March 21 to April 19)** Congratulations, Lamb. The end of the month brings good news in the workplace, thanks to all the efforts you've made to get your projects off the ground

and running. **TAURUS (April 20 to May 20)** Don't let yourself be cowed into thinking that you're not up to the challenge you've taken on. Keep reinforcing your self-confidence. No one

and nothing can stop you. **GEMINI (May 21 to June 20)** Positive responses to a recent workplace move should give you the added assurance that you're on the right track. Celebrate the good news with

family and/or friends. **CANCER (June 21 to July 22)** There's still a little emotional fuzziness you have to work through before you can feel really certain about your recent decisions. But you're on the right track. Stay with it!
