## Fix up your home or your finances with a **HOME EQUITY LINE OF CREDIT**

Dort Financial Credit Union's Home Equity Line of Credit (HELOC) loans help you make your dreams a reality. Some of the features and benefits include:

- ▶ 15-year draw period
- ▶ Credit available when you need it
- ▶ Minimum loan amount is \$5,000
- ▶ Use the equity in your home for things like home improvements, vacations, debt consolidation, college tuition, and more!

**Dort**  **Financial**  
CREDIT UNION

Serving All of Michigan  
**DORTONLINE.ORG • 800.521.3796**

\*Introductory Annual Percentage Rate (APR) of 2.99% begins on date of closing and is effective for 12 months. After the 12-month period, the variable rate APR as disclosed in your Home Equity Line of Credit Account Credit Agreement and Disclosure Statement will apply. Current variable APRs are based on the prime rate. Maximum APR that may apply is 18.00%. 15-year draw period. Minimum loan amount of \$5,000.

Closing costs typically include appraisal, title insurance, and recording fee ranging from \$350 to \$1,200. These costs are initially waived by the credit union. Repayment of waived costs will be required if the HELOC is closed and cancelled within 24 months of origination. Property insurance is required. Monthly payments are based on a 20-year amortization with a minimum monthly payment of \$50.00. Programs, rates, terms, and conditions are subject to change without notice. Introductory APR offered on new Dort Financial HELOCs. Members who currently have a home equity line of credit through Dort Financial are not eligible. Offer valid on owner-occupied property only where collateral loan to value is 80% or less and excludes all loans already financed at the credit union. Proof of income is required, subject to normal underwriting guidelines. Other restrictions may apply. Introductory APR offer good through December 31, 2022. Consult your tax advisor about potential tax benefits.

Variable rates are based on prime plus or minus a margin (margin identified at time of application and is defined as the number of percentage points the lender subtracts or adds to the index rate to determine the annual percentage rate to be charged).

# FUN & GAMES

**ARIES (March 21 to April 19)** Put your restlessness to good use by indulging the Arian love of exploring new places and seeking new challenges. There also could be a new romance waiting to be "discovered."  
**TAURUS (April 20 to May**

**20)** A surprise message from someone in your past could lead to a long-awaited reunion with a once-close friend. Also, look for a workplace problem to be resolved in your favor.  
**GEMINI (May 21 to June 20)** Your self-confidence is rising, and that should be a

significant factor in helping you adjust to a new social situation, as well as adjusting to a series of changes in the workplace.  
**CANCER (June 21 to July 22)** Turnabout could be lots of fun when someone who previously accepted your tender,

loving care without question now suggests that he or she wants to start taking care of you.  
**LEO (July 23 to August 22)** Put the lessons you learned from past disappointments to work in planning your future. The way ahead opens to opportunities "purrfectly" suited to the adventurous Lion.

**VIRGO (August 23 to September 22)** This is a good time to renew contacts with family members and/or old friends who somehow slipped off your personal viewing screen in recent years. Travel also is favored.  
**LIBRA (September 23 to Oc-**

**tobar 22)** Most problems surrounding that recent personal situation have been resolved, and that means you should move on to other things that are important to you.  
**SCORPIO (October 23 to November 21)** Spend this weekend recharging your physical and spiritual energies. When you return to your workaday world, you'll be ready to take on that new project.  
**SAGITTARIUS (November 22 to December 21)** Be careful how you advise a troubled friend. Even your wise counsel could be misunderstood. Better to suggest that he or

she seek professional help.  
**CAPRICORN (December 22 to January 19)** Family problems once again dominate and, once again, everyone seeks your guidance in these matters. Later, you can indulge in some much-needed relaxation.  
**AQUARIUS (January 20 to February 18)** Some mixed signals create confusion in the workplace. Best advice: Ask for explanations before you attempt to deal with any of these matters on your own.

**PISCES (February 19 to March 20)** A patch of roiling water in the workplace could be threatening, but stay the course and you'll soon be clear of it. Then go out and have a great time with loved ones.  
**BORN THIS WEEK:** Your extraordinary leadership qualities mark you as someone people can turn to for guidance in difficult situations.
