 60-Day No Payment\*\*

**Get More Mileage from Your Auto Loan**

Now is a great time to take advantage of Dort Financial's great rates when you refinance your auto or RV loan from another financial institution. Act now and make no payment for the first 60 days! That's more money in your pocket as we leap into spring. Qualified borrowers apply before April 15, 2022.

\*Annual Percentage Rate (APR) and terms may vary depending upon credit qualifications, value, and age of collateral. Approximate monthly payment would be \$21.59 per \$1,000 borrowed at 1.74% APR for 48 months. Loans currently financed by Dort Financial Credit Union or Business accounts do not qualify. Rates, terms, and conditions can be changed without notice.

\*\*If the 60-day payment deferral option is chosen, interest will continue to accrue during the deferral period and will be collected from your first loan payment.

# FUN & GAMES

**ARIES (March 21 to April 19)** Be careful about doing someone a favor when you don't know the full story behind the request. Don't rely on someone's unsubstantiated assurances. Insist on all the facts before you act.  
**TAURUS (April 20 to May 20)** That workplace problem still needs your attention

before you finally can close the book on it. Meanwhile, a long-anticipated reunion gets closer to becoming a happy reality.  
**GEMINI (May 21 to June 20)** You might be demanding more from others than they can give. Best advice: Have a long and frank talk to determine what the facts

are. Tensions should abate as the week winds down.  
**CANCER (June 21 to July 22)** Aspects are favorable throughout this week for making contacts that could be important to your career plans. Meanwhile, an old friend offers the advice you're seeking.  
**LEO (July 23 to August**

**22)** It's time to stop licking your wounds from past mistakes. Get up and get going toward your future. Loyal friends will be there to help the Lion get back into rip-roaring shape.  
**VIRGO (August 23 to September 22)** Take time out to go over what's expected of you before you begin your new project. Otherwise, you run the risk of pushing yourself harder than you need to.  
**LIBRA (September 23 to October 22)** An unusual request could put you in an awkward position. Best advice: Deal with it immedi-

ately. The longer you delay, the more difficult it will be to get out of it.  
**SCORPIO (October 23 to November 21)** You should feel recharged and ready for whatever your workaday world holds for you. The same positive energy spills over into your personal relationships.  
**SAGITTARIUS (November 22 to December 21)** A prospect might be less than it appears to be. Like the Archer in your sign, you always aim for the truth. And this is no time to settle for less than full disclosure.  
**CAPRICORN (December**

**22 to January 19)** Start doing some serious thinking about a career move that could entail more than just changing job sites. Some lifestyle changes also might be involved.  
**AQUARIUS (January 20 to February 18)** With tensions easing at the workplace, a more positive environment once again encourages the free flow of ideas so typical of the always-innovative Aquarian.  
**PISCES (February 19 to March 20)** Show some of that usually hidden steel-strong Piscean backbone, and stand up for yourself if you hope to make a case for that promotion you know you deserve.
