FUN & GAMES

ARIES (March 21 to April 19) A little wool-gathering is OK, but don't let that dreamy state linger beyond midweek, when you'll want to be ready to take on new workplace responsibilities.

TAURUS (April 20 to May 20) Love rules the week for single Bovines seeking romance. Attached pairs also find new joy in their relationships. The 29th should

bring news about a business opportunity. **GEMINI (May 21 to June 20)** Home becomes the center of a new social whirl, as you show off your talent for hosting great parties. You can

expect to impress a lot of people who've never seen this side of you.

CANCER (June 21 to July 22) The Moon Child might have to raise those powers of persuasion up a notch to get a still-wary colleague to agree to go along with your plans. Finding more facts to back up your position helps.

LEO (July 23 to August 22) Hold off trying to fix the blame for an apparent mishandling of a work situation. A full investiga-

tion could reveal surprising facts on how and why it really happened.

VIRGO (August 23 to September 22) Your ability to see the details that others might overlook gives you an advantage in assessing an offer that possibly seems too good to be true. A trusted colleague has advice.

LIBRA (September 23 to October 22) Expect to be called on once again to act as the peacemaker in a long-simmering dispute that suddenly flares

up. Offer advice, but be careful to stay out of the fray.

SCORPIO (October 23 to November 21) Your organizational skills help you line up your priorities so that you get things done without added pressure. The weekend could hold a special surprise.

SAGITTARIUS (November 22 to December 21) New ventures are favored, but don't launch yours before rechecking all the facts and sources. Also, be sure that you can rely on support from certain people.

CAPRICORN (December 22 to January 19) Don't be pushed into renegotiating an agreement, even though it might help avoid a potential impasse. Get legal advice before you sign or agree to anything.

AQUARIUS (January 20 to February 18) Helping others is what Aquarians do so well. But this time, someone wants to help you. Expect to hear some news that will both surprise and delight you.

PISCES (February 19 to March 20) Things go so swimmingly by midweek that you're tempted to take on more tasks. Best advice: Finish what you have now, then enjoy a well-earned relaxing weekend.

BORN THIS WEEK: Your understanding of human nature helps you make wise decisions that are appreciated by all. You would make a fine judge.
