Fix up your home or your finances with a **HOME EQUITY LINE OF CREDIT**

Dort Financial Credit Union's Home Equity Line of Credit (HELOC) loans help you make your dreams a reality. Some of the features and benefits include:

- ▶ 15-year draw period
- ▶ Credit available when you need it
- ▶ Minimum loan amount is \$5,000
- ▶ Use the equity in your home for things like home improvements, vacations, debt consolidation, college tuition, and more!

Serving All of Michigan
DORTONLINE.ORG • 800.521.3796

*Introductory Annual Percentage Rate (APR) of 2.99% begins on date of closing and is effective for 12 months. After the 12-month period, the variable rate APR as disclosed in your Home Equity Line of Credit Account Credit Agreement and Disclosure Statement will apply. Current variable APRs are based on the prime rate. Maximum APR that may apply is 18.00%. 15-year draw period. Minimum loan amount of \$5,000.

Closing costs typically include appraisal, title insurance, and recording fee ranging from \$350 to \$1,200. These costs are initially waived by the credit union. Repayment of waived costs will be required if the HELOC is closed and cancelled within 24 months of origination. Property insurance is required. Monthly payments are based on a 20-year amortization with a minimum monthly payment of \$50.00. Programs, rates, terms, and conditions are subject to change without notice. Introductory APR offered on new Dort Financial HELOCs. Members who currently have a home equity line of credit through Dort Financial are not eligible. Offer valid on owner-occupied property only where collateral loan to value is 80% or less and excludes all loans already financed at the credit union. Proof of income is required, subject to normal underwriting guidelines. Other restrictions may apply. Introductory APR offer good through December 31, 2022. Consult your tax advisor about potential tax benefits.

Variable rates are based on prime plus or minus a margin (margin identified at time of application and is defined as the number of percentage points the lender subtracts or adds to the index rate to determine the annual percentage rate to be charged).
