NOVENA TO ST. JUDE

Oh, holy St. Jude, apostle and martyr, great in virtue, rich in miracle, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg to who God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glories for nine consecutive days. St. Jude pray for us all who invoke your aid. Amen. This novena has never been known to fail.

FUN & GAMES

ARIES (March 21 to April 19) New opportunities spring up for the Arians. Kick up those heels and go, go, go for them. Remember, someone special will be rooting for your success.

TAURUS (April 20 to May 20) Indulge in your love of beauty. Buy something marvelous for your home, then plan a romantic dinner at a special place with your special person.

GEMINI (May 21 to June 20) Your diligent search for the truth pays off. You can now go ahead and make a decision fully armed with the facts. But expect some resistance to your plans.

CANCER (June 21 to July 22) Travel is favored, but be prepared to be flexible in planning your trip. A family situation may cause you to delay your original departure date.

September 22) A certain family problem still needs your attention. It would be unwise at this time to let things slide. Things start to look more promising on the job.

LIBRA (September 23 to October 22) Your mate seems to feel increasingly ignored. Try for a better balance between your home and work commitments. Start with a romantic weekend getaway.

SCORPIO (October 23 to November 21) Missed

opportunities usually come from miscommunication, but it's not too late to correct the wrong assumptions. A timely call can help reestablish important contacts.

SAGITTARIUS (November 22 to December 21) Your usually keen sense of direction needs some sharpening this week. Stay focused on your goals despite some pesky distractions. Your efforts will soon pay off.

CAPRICORN (December 22 to January 19) Don't automatically reject suggestions from friends and family members. Some of their ideas might be helpful. Check them out before you decide to chuck them out.

AQUARIUS (January 20 to February 18) Expect to be pleasantly startled when a promise from the past finally comes through for you. Use this as an opportunity to restart a long-delayed project.

PISCES (February 19 to March 20) An air of conspiracy dominates the workplace. Avoid taking sides. This is one time when you need to concentrate on being your own best friend.

BORN THIS WEEK: You despise hypocrisy. Your honesty is admired, although your friends sometimes feel you could be less blunt and a little more diplomatic. You love living life to the fullest.
