FUN & GAMES

ARIES (March 21 to April 19) Temper your typical Aries urge to charge into a situation and demand answers. Instead, let the Lamb's gentler self emerge to deal with a problem that requires delicacy.

TAURUS (April 20 to May 20) You are aware of what's going on, so continue to stand by your earlier decision, no matter how persuasive the counter-arguments might be. Money pressures will soon ease.

GEMINI (May 21 to June 20) By all means, have fun and enjoy your newly expanded social life. But don't forget that some people are depending on you to keep promises that are very important to them.

CANCER (June 21 to July 22) You need to wait patiently for an answer to a workplace problem and not push for a decision. Remember: Time is on your side. A financial matter needs closer attention.

VIRGO (August 23 to September 22) Good news: You're finding that more doors are opening for you to show what you can do, and you don't even have to knock very hard to get the attention you're seeking.

would threaten someone less able to balance his or her priorities.

SCORPIO (October 23 to November 21) Congratulations. Your energy levels are coming right back up to normal -- just in time to help you tackle some worthwhile challenges and make some important choices.

SAGITTARIUS (November 22 to December 21) The sage Sagittarian should demand a full explanation of inconsistencies that might be cropping up in what had seemed to be a straightforward deal.

CAPRICORN (December 22 to January 19) A conflict between obligations to family and to the job can create stressful problems. Best advice: Balance your dual priorities so that one doesn't outweigh the other.

AQUARIUS (January 20 to February 18) Don't guess, speculate or gossip about that so-called mystery situation at the workplace. Bide your time. An explanation will be forthcoming very soon.

PISCES (February 19 to March 20) Boredom might be creeping in and causing you to lose interest in a repeat project. Deal with it by flipping over your usual routine and finding a new way to do an old task.

BORN THIS WEEK: You can warm the coldest heart with your lyrical voice and bright smile. You find yourself at home, wherever you are.

SWEET DREAMS! Why did our pal, above, take a bale of hay to bed? Connect the dots to find the answer. Answer: To feed his night mare.

NUMBER GAME! The final problem in Professor Flunkum's math quiz: Three times what number gives the same result as eight times what number? P.S.: It's the same number. The answer is zero.

DIAMOND SETTING! Did you know that you can use playing cards to create puzzles? Using the diamond suit, remove the cards ace up through nine and arrange them in a triangle as shown at right. Then, rearrange them so that the pips (diamonds, in this case) in the four cards along any of the three sides of the triangle add up to 23. The value of a corner card will be used in two sides.

ANTS IN THE PANTS!

THE next time Wally goes to a picnic, he'll watch where he sits! Like the word PANTS, Wally has ANTS. Another place you'll find ANTS is in the dictionary. Below are nine words that contain these little creatures. Use these hints to figure out what they are:

1. What a ghost does.
2. Moose's pride.
3. Little people.
4. Portable lamps.
5. Some statues, maybe.
6. Scornful remarks.
7. Christmas-tree decorations.
8. Loud speeches.
9. Things that attract.

Also, you'll find that the first letters in these words, read vertically, will spell out something you get in the winter up north.

- 1. Haunts. 2. Antlers. 3. Infants. 4. Lanterns.
- 5. Saints. 6. Taunts. 7. Ornaments. 8. Pants.
- 9. Magnets. Vertical word: Hallstorm.
