## Fix up your home or your finances with a HOME EQUITY LINE OF CREDIT

Dort Financial Credit Union's Home Equity Line of Credit (HELOC) loans help you make your dreams a reality. Some of the features and benefits include:

- ▶ 15-year draw period
- ▶ Credit available when you need it
- ▶ Minimum loan amount is \$5,000
- ▶ Use the equity in your home for things like home improvements, vacations, debt consolidation, college tuition, and more!

**Dort Financial CREDIT UNION**

Serving All of Michigan  
[DORTONLINE.ORG](http://DORTONLINE.ORG) • 800.521.3796

\*Introductory Annual Percentage Rate (APR) of 2.99% begins on date of closing and is effective for 12 months. After the 12-month period, the variable rate APR as disclosed in your Home Equity Line of Credit Account Credit Agreement and Disclosure Statement will apply. Current variable APRs are based on the prime rate. Maximum APR that may apply is 18.00%. 15-year draw period. Minimum loan amount of \$5,000. Closing costs typically include appraisal, title insurance, and recording fee ranging from \$350 to \$1,200. These costs are initially waived by the credit union. Repayment of waived costs will be required if the HELOC is closed and cancelled within 24 months of origination. Property insurance is required. Monthly payments are based on a 20-year amortization with a minimum monthly payment of \$50.00. Programs, rates, terms, and conditions are subject to change without notice. Introductory APR offered on new Dort Financial HELOCs. Members who currently have a home equity line of credit through Dort Financial are not eligible. Offer valid on owner-occupied property only where collateral loan to value is 80% or less and excludes all loans already financed at the credit union. Proof of income is required, subject to normal underwriting guidelines. Other restrictions may apply. Introductory APR offer good through December 31, 2022. Consult your tax advisor about potential tax benefits. Variable rates are based on prime plus or minus a margin (margin identified at time of application and is defined as the number of percentage points the lender subtracts or adds to the index rate to determine the annual percentage rate to be charged).

**ARIES (March 21 to April 19)** A heads-up alert to all free-spirited Ewes and Rams: Be wary of a deal that could result in compromising your independence. Check every detail before making a commitment.

**TAURUS (April 20 to May 20)** New facts emerge that help put an irksome workplace situation in perspective. Meanwhile, pay more attention to a family member who needs your wisdom and strength.

**GEMINI (May 21 to June 20)** A slight setback in plans is nothing to worry about. Use this delay to deal with a number of matters you might have ignored for too long. Expect news from someone in your past.

**CANCER (June 21 to July 22)** You're entering a period of stability. Use it to straighten out any outstanding problems related to a very personal situation. Also, pay closer attention to financial matters.

**LEO (July 23 to August 22)** As much as you love being a social Lion, you might well benefit from staying out of the spotlight for a while. You need time to reflect on some upcoming decisions.

**VIRGO (August 23 to September 22)** A difficult family situation improves, thanks to your timely intervention. You can now start to focus more of your attention on preparing for a possible career change.

**LIBRA (September 23 to October 22)** An on-the-job change works to your benefit by offering new opportunities. It's up to you to check them out. Meanwhile, a stalled romantic situation starts up again.

**SCORPIO (October 23 to November 21)** That flare-up of Scorpian temperament cools down, leaving you more receptive to suggestions about changes that might need to be made in your personal life.

**SAGITTARIUS (November 22 to December 21)** An unusual period of indecisiveness is a mite frustrating. But things soon clear up, allowing the sage Sagittarian to make those wise pronouncements again.

**CAPRICORN (December 22 to January 19)** You might feel that you know best, but it's not a good idea at this time to try to force your opinions on others. Best advice: Inspire change by example, not by intimidation.

**AQUARIUS (January 20 to February 18)** Some setbacks could affect your plans to fortify your financial situation. But things start moving again by early next week. Meanwhile, enjoy your resurgent social life.

**PISCES (February 19 to March 20)** Show that often-hidden steely spine of yours as you once again stand up to an emotional bully. You've got the strength to do it, especially as friends rally to your side.

**BORN THIS WEEK:** Your ruling planet, Mercury, endows you with a gift for writing. Have you considered penning the world's greatest novel?
