## Fix up your home or your finances with a **HOME EQUITY LINE OF CREDIT**

Dort Financial Credit Union's Home Equity Line of Credit (HELOC) loans help you make your dreams a reality. Some of the features and benefits include:

- ▶ 15-year draw period
- ▶ Credit available when you need it
- ▶ Minimum loan amount is \$5,000
- ▶ Use the equity in your home for things like home improvements, vacations, debt consolidation, college tuition, and more!

**Dort**  **Financial**  
CREDIT UNION

Serving All of Michigan  
**DORTONLINE.ORG • 800.521.3796**

\*Introductory Annual Percentage Rate (APR) of 2.99% begins on date of closing and is effective for 12 months. After the 12-month period, the variable rate APR as disclosed in your Home Equity Line of Credit Account Credit Agreement and Disclosure Statement will apply. Current variable APRs are based on the prime rate. Maximum APR that may apply is 18.00%. 15-year draw period. Minimum loan amount of \$5,000.

Closing costs typically include appraisal, title insurance, and recording fee ranging from \$350 to \$1,200. These costs are initially waived by the credit union. Repayment of waived costs will be required if the HELOC is closed and cancelled within 24 months of origination. Property insurance is required. Monthly payments are based on a 20-year amortization with a minimum monthly payment of \$50.00. Programs, rates, terms, and conditions are subject to change without notice. Introductory APR offered on new Dort Financial HELOCs. Members who currently have a home equity line of credit through Dort Financial are not eligible. Offer valid on owner-occupied property only where collateral loan to value is 80% or less and excludes all loans already financed at the credit union. Proof of income is required, subject to normal underwriting guidelines. Other restrictions may apply. Introductory APR offer good through December 31, 2022. Consult your tax advisor about potential tax benefits.

Variable rates are based on prime plus or minus a margin (margin identified at time of application and is defined as the number of percentage points the lender subtracts or adds to the index rate to determine the annual percentage rate to be charged).

# FUN & GAMES

**ARIES (March 21 to April 19)** You Ewes and Rams will find your ideas cheered by a mostly receptive flock. Those few dissenters could well be turned around by your charm and powers of persuasion.  
**TAURUS (April 20 to May 20)** It's time for the bold and beautiful Bovine to shake

off the dust of the past and shape up with new ideas for the future. This could surprise some folks, but they'll soon adjust.  
**GEMINI (May 21 to June 20)** Those nagging new doubts about an upcoming decision should alert you to step back (at least temporarily) so you

can reassess its potential impact from a new perspective.  
**CANCER (June 21 to July 22)** That unpleasant situation you hoped would go away by itself needs immediate attention before it affects an upcoming decision. Expect your supporters to rally around your cause.

**LEO (July 23 to August 22)** You're moving up and away from that recent setback. But remain cautious about finances. An exercise in thrift today helps cushion a possible end-of-the-month money squeeze.  
**VIRGO (August 23 to September 22)** You're still dealing with overtones of pessimism that cause you to doubt your ability to make some needed changes. But the negative pressures will ease up by week's end.  
**LIBRA (September 23 to October 22)** There could be

some fallout from the way you handled a recent family problem. But those who know that you were in the right won't hesitate to step in on your behalf.  
**SCORPIO (October 23 to November 21)** Financial strains ease by week's end. Meanwhile, focus on cultivating that new relationship if you hope to have it blossom into something more meaningful.  
**SAGITTARIUS (November 22 to December 21)** Health matters once again dominate the week. Be careful not to

ignore recurrences of an old problem. An almost-forgotten commitment resurfaces.  
**CAPRICORN (December 22 to January 19)** The emergence of an unusual selfish streak could dismay those close to you. Defy it -- don't justify it -- so you can become your gracious self again.  
**AQUARIUS (January 20 to February 18)** Reassess your decision to stay with the status quo. It might seem like the sensible thing to do right now, but changes around you could make that choice a risky one.  
**PISCES (February 19 to March 20)** Move decisively but cautiously when dealing with a delicate personal matter. The fewer mistakes you make now, the less likely it is that the problem will recur later on.

**BORN THIS WEEK:** You can find beauty where many cannot. And you enjoy sharing your discovery with others.
