Kirsten and Melissa from Revive Wellness Spa will be guiding a sound bath experience using healing instruments such as gongs, singing bowls, percussion, chimes, rattles, tuning forks, and even the human voice itself.

What is the benefit of a sound bath?

The intention of a sound bath is to create a state of harmony in the listener by using sound to clear discordance from the participant's energy fields. Among the benefits are relaxation, an increased sense of wellbeing, expanded awareness, and access to inner visionary experience.

Tickets are \$30 and available on Eventbrite.com

Dort Financial CREDIT UNION

Serving All of Michigan
DORTONLINE.ORG • 800.521.3796

*Introductory Annual Percentage Rate (APR) of 2.99% begins on date of closing and is effective for 12 months. After the 12-month period, the variable rate APR as disclosed in your Home Equity Line of Credit Account Credit Agreement and Disclosure Statement will apply. Current variable APRs are based on the prime rate. Maximum APR that may apply is 18.00%. 15-year draw period. Minimum loan amount of \$5,000. Closing costs typically include appraisal, title insurance, and recording fee ranging from \$350 to \$1,200. These costs are initially waived by the credit union. Repayment of waived costs will be required if the HELOC is closed and cancelled within 24 months of origination. Property insurance is required. Monthly payments are based on a 20-year amortization with a minimum monthly payment of \$50.00. Programs, rates, terms, and conditions are subject to change without notice. Introductory APR offered on new Dort Financial HELOCs. Members who currently have a home equity line of credit through Dort Financial are not eligible. Offer valid on owner-occupied property only where collateral loan to value is 80% or less and excludes all loans already financed at the credit union. Proof of income is required, subject to normal underwriting guidelines. Other restrictions may apply. Introductory APR offer good through December 31, 2022. Consult your tax advisor about potential tax benefits. Variable rates are based on prime plus or minus a margin (margin identified at time of application and is defined as the number of percentage points the lender subtracts or adds to the index rate to determine the annual percentage rate to be charged).

# FUN & GAMES

**ARIES (March 21 to April 19)** Be prepared to face some challenges stirred up by an envious colleague. Your best defense is the Arian's innate honesty. Stick with the truth, and you'll come out ahead.  
**TAURUS (April 20 to May 20)** Your sensitivity to the needs of others is admirable. But be careful to avoid those who would take unfair advantage of your good nature, especially where money is involved.

**GEMINI (May 21 to June 20)** Having an optimistic attitude is fine, as far as it goes. But don't be lulled into a false sense of confidence. There still are problems to deal with before you can totally relax.  
**CANCER (June 21 to July 22)** You might feel somewhat "crabby," as you fuss over plans that don't seem to work out. Maybe you're trying too hard. Ease up and let things happen without forcing them.

**LEO (July 23 to August 22)** Heed that keen Leonine instinct. It's trying to tell you to delay making a decision until you're sure there are no hidden problems that could cause trouble later on.  
**VIRGO (August 23 to September 22)** This is a good time to reach out to those who might be nursing hurt feelings over recent events. Best advice: Ignore any pettiness that could delay the healing process.  
**LIBRA (September 23 to**

**October 22)** Your understanding helps a colleague get through a difficult period. Although you didn't do it for a reward, be assured that your actions will be repaid down the line.  
**SCORPIO (October 23 to November 21)** You score some high marks in the workplace, which will count in your favor when you face the possibility of changing direction on your current career path.  
**SAGITTARIUS (November 22 to December 21)** Your goal lies straight ahead. Stay focused on it and avoid distractions that could throw off your aim and cause potentially detrimental delays.  
**CAPRICORN (December 22 to January 19)** Keep that burst of exuberance in check and resist pushing

through your new project before it's ready. In your personal life, a family member again needs help.  
**AQUARIUS (January 20 to February 18)** Paying attention to your work is important this week. But so are your relationships with those special people in your life. Make time for them as well.  
**PISCES (February 19 to March 20)** Good news. Someone is about to repay a long-standing debt. But be warned. That same someone could try to charm you into lending it back unless you say no and mean it.  
**BORN THIS WEEK:** You are sensitive to matters that involve your home and family. You would make a fine family-court judge or social worker.
