

Soaring Eagle Press e-Edition

Templeton's "Almost Daily" News

Serving the residents of the greater Templeton area since 2000

CALENDAR with NEWS Edition • Feb 3-10, 2020 • © Soaring Eagle Press 2020; All Rights Reserved

This edition is brought to you by the folks at

VIBORG SAND & GRAVEL INC.

Paul & Debbie Viborg

paving • excavating • grading • concrete and asphalt recycling

The home of trailored, ready-mix concrete for the cost effective way to complete your project

1529 N. River Road in Paso Robles • (805) 238-4368 • www.viborgsand.com

This Edition is brought to you by Paul & Debbie Viborg at Viborg Sand & Gravel. Backed by over 30 years of experience, the Viborg's take great pride in the quality and craftsmanship of their work – and it shows. Their business is a rarity in that they own all their own equipment, so there are no extra "rental" fees or paying for expensive down time on rentals. Viborg Sand & Gravel also has their own material pits – virtually cutting out the middleman in most cases. And don't forget their "Cart-Away" ready mix concrete service – the most cost-effective way for a homeowner or contractor to complete a smaller project! Give them a call today at (805) 238-4368.

SHOULD TEMPLETON INCORPORATE? • TCSD Study Session • Feb 4 • 6 pm

SIGN UP THIS MONTH

KINDERGARTEN REGISTRATION STARTS FEBRUARY 3 – Templeton Elementary School (TES) will start new student enrollment for the 2020/21 school year for **Kindergarten and Transitional Kindergarten beginning February 3**. Please bring proof of residence, child's birth certificate, and immunization records. Class placement is based on many factors. AM/PM class preference

will be considered but cannot be guaranteed. For more information, please contact Jessica Fielder at jfielder@templetonusd.org or call (805) 434-5820.

HEALTHY SOILS Grant Applications are set to open early this month. Through the state of California, there will be \$28 million available to farmers and ranchers who wish to implement conservation management practices that sequester carbon, reduce atmospheric greenhouse gasses, and improve soil health. For more information, please visit the Upper Salinas-Las Tablas Resource Conservation District (US-LT RCD) website at www.us-ltrcd.org.

SATURDAY, FEBRUARY 29
