LAST opportunity to run for a seat on TAAG for the upcoming annual election
THURSDAY, JANUARY 16

Templeton Area **ADVISORY GROUP** or TAAG ([agenda](#))

7:00 pm / Templeton CSD boardroom (5th & Crocker next to the Fire Station)

TAAG normally has 7 voting members on the board and two alternates. With the board currently down to only 5 members, the agenda calls for 2 appointments to the board by the remaining members.

There will also be a last call for candidates for the upcoming TAAG election in March. Currently, Murray Powell, Joel Woodruff, and Erik Gorham have announced their intentions to run. The agenda doesn’t state what seats are up for election in March, the length of tenure for each seat, or what seats and length of tenure the board appointees will fill.

The agenda also includes [8.6] a discussion of the DRAFT Cal Poly EIR without providing any further information on the item or why TAAG is reviewing it. A discussion [8.7] regarding “how TAAG will respond to” the Paso Robles Gateway Annexation Project – noting that the EIR won’t

be available until later this month and that a presentation on the project will most likely be given at the TAAG meeting after the EIR is released.

The agenda also states that all project application were either incomplete or on an information hold with the County and for that reason, there were no project applications to be reviewed at this meeting.
